

May 20 Likely Date To Clear House Bill On Income Tax Cut

By CHARLES F. BARRETT
WASHINGTON (P)—Congressional leaders were reported today to have set May 20 as a likely date for clearing to the House floor a bill to cut individual income tax rates 10 per cent starting July 1.

Meanwhile, a petition to force earlier action picked up support from two key Democrats on the House Ways and Means Committee, which handles tax legislation.

Rep. Cooper of Tennessee, senior committee Democrat, and Rep. Mills (D-Ark.) third-ranking Democrat, signed the petition to bring the total to 49, an increase of 12 in one day.

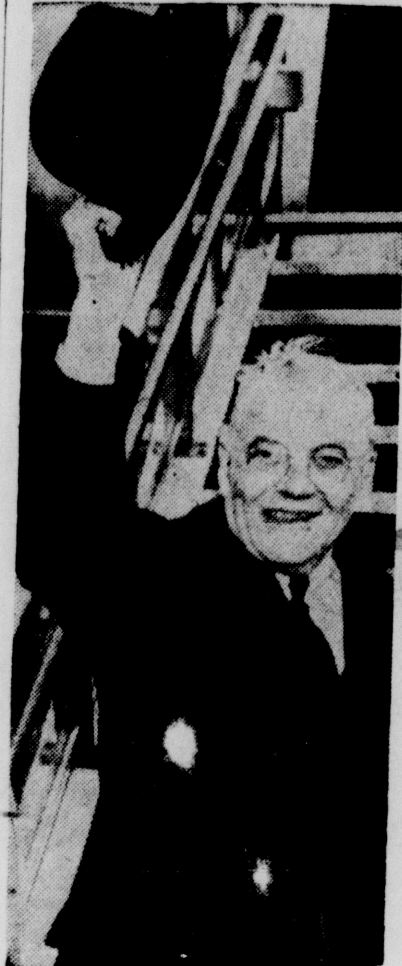

Bottled In Committee
But 218 signatures are required to pop the bill out of a rules com-

mittee bottleneck. That group has held up the bill since the ways and means committee approved it in mid-February. The measure would advance by six months an income tax cut now due Jan. 1.

Leaders who have been close to the hemming and hawing over timing of tax cut action said they expected other Democrats would follow Cooper and Mills and bolster support for the petition. But many sponsors of the petition predicted House leaders would agree to bring the bill to the floor before the petition would win the required 218 signatures.

Budget Slash Sighted
Two congressmen who have played leading roles in the maneuvering, asking that they not be named, said House leaders are warming up to the bill now that appropriation cuts are more definitely in sight.

They said House Speaker Martin (R-Mass.) and Majority Leader Halleck (R-Ind.) feel sufficient savings will be lined up to justify clearing the bill about May 20.

Reds Pledge To Free More Disabled Allied Prisoners

Warning Given Against Cuts In Atomic Spending

By RUSSELL BRINES
WASHINGTON (P)—Rep. Price (D-Ill.) said today the new administration is planning to cut spending for atomic energy "to the bone" at a time when "the Kremlin is stepping up the tempo of its atomic effort."

Cuts of hundreds of millions of dollars will be made in former President Truman's two billion dollar atomic energy budget for the year starting July 1, Price said in an interview.

Won't Go Too Deep
However, Rep. W. Sterling Cole (R-N.Y.), chairman of the Senate Atomic Energy Committee, said in a separate interview the extent of reductions has not been finally decided. He said the Truman budget for atomic energy is still under review by the Budget Bureau.

He expressed belief the Eisenhower administration "will not touch the heart" of the program because, he said, it is "convinced of the importance" of expanding it.

Price, a member of Cole's committee, cautioned Congress in a speech prepared for House delivery against "ill advised" funds cuts. He said he believes cuts already decided upon by the administration will be so deep that "any more reductions by Congress will affect the expansion program."

Honest Budget Promised
Price said he was not protest-

Convict Bashes Jackson Officer

JACKSON (P)—Beaten by an ex-convict he was attempting to subdue, Det. Insp. John O'Connor of the Jackson city police was in Mercy Hospital today, suffering from concussion and apparent loss of memory.

Fellow officers said Inspector O'Connor was attacked by Ernest Armstrong, 44, at police headquarters.

While being questioned, Armstrong asked to go to the men's room, and O'Connor went with him but waited outside the room. When Armstrong failed to come out, O'Connor stepped inside and found Armstrong attempting to flee through a window.

A fight ensued, police said, and O'Connor's head was bashed against a wall. Armstrong then attempted to escape, they added, but was captured outside the station by other officers.

Armstrong, of Mount Morris, Mich., was arrested in a tavern after a tipster said he and another man were plotting a holdup. He had served a 5 to 15 year sentence from Lapeer for breaking and entering at night, imposed in 1943, and another term later. He was paroled a year ago.

South Korean WAC Among Freed POWs

FREEDOM VILLAGE, Korea (P)—A South Korean WAC was among the 50 South Korean sick and wounded prisoners freed today by the Communists—the first woman reported involved in the POW exchange.

She said she was captured in 1951 while serving with the Republic of Korea 8th Infantry Division. She added that two other members of the ROK Women's Army Corps were captured at the same time and still are in prison camps.

Firecracker In Mouth Is Suicide Method

ASHBY, Mass. (P)—Medical Examiner Edward T. Lilly ruled last night that Clifford C. Foote, local cemetery commissioner, took his own life earlier in the day by exploding a large firecracker in his mouth.

Police said Foote had been dependent since he suffered the loss of an arm recently in a Georgia automobile accident while en route home from a Florida vacation. He was released from a Georgia hospital last Sunday.

Dickers Start In Lansing For New Tax Plan

LANSING (P)—Michigan's Legislature hopes to get clear-cut signals today on what new taxes it will pass for a sinking state treasury.

Faced with a backfield of gauntlets, Republican leaders called a halt to all tax measures and summoned a meeting of the GOP policy committee for late today.

Payroll Levy Waiting
The air was full of reports of trades, threats and manipulations as the deadline for action neared.

The Cloon plan for a business income tax continued to gain, but the Van Valkenburg payroll tax still was not completely dead.

Rep. Harry J. Phillips (Port Huron), the House majority leader, was beaten down in his announced intention to settle the payroll tax permanently yesterday.

Speaker Wade Van Valkenburg (R-Kalamazoo), the author of the tax, succeeded in heading off a second floor fight on the measure following its defeat Tuesday.

Higgins Offers Package
Senator George N. Higgins (R-Ferndale), chairman of the Senate Taxation Committee, called another public hearing tonight on his "package" of tax bills and indicated he was not swallowing the prevalent impression that his bills are dead.

Higgins wants \$31,000,000 worth of additional taxes on oil companies, beer, whiskey, race track bettors, hotel rooms and a 25 per cent boost in the corporation franchise tax.

Tugs Refloat Wheat Barge South Of Soo

SAULT STE. MARIE (P)—A pair of Great Lakes Towing Co. tugs refloated a wheat-laden barge 20 miles south of here after a day-long battle yesterday.

The barge Kenodoc, of the Patterson fleet, ran aground on a mud bank on Lake Munuscong when its towing cable parted from the steamer Altodoc.

The tugs Kansas and Idaho were dispatched to the scene and found the barge high and dry on a four-foot mud bank.

After much heaving and hauling, the two tugs managed to re-

float the barge.

Plea For Refugees

WASHINGTON (P)—President Eisenhower has appealed to Congress for legislation to open the United States to 240,000 refugees in the next two years.

Inquiry Into Red Korean Atrocities Shelved In Senate

WASHINGTON (P)—A proposal to inquire into Red atrocities against prisoners of war in Korea has been put temporarily on a Senate shelf.

After being assured that the Army and State Department will step up collection of evidence with a view to later war crimes prosecutions of the Communists for any atrocities against United Nations prisoners, the Senate Appropriations Committee dropped plans to investigate.

New Thrust Started

Some members of the committee, like Senators Ellender (D-La.) and Magnuson (D-Wash.), said they regarded yesterday's two-hour inquiry, ordered by Chairman Bridges (R-NH), as "premature."

Rep. Judd (R-Minn.) said, meanwhile, that the Communists are using the exchange of sick and wounded prisoners to divert American attention from "the main campaign"—a thrust toward rich Southeast Asia. The drive started just after Peiping announced acceptance of U. N. proposals to

exchange sick and wounded prisoners.

Rep. Zablocki (R-Wis.) said the Laos campaign is "very serious" and agreed with Judd that the attack should be turned over to the United Nations. Leos has petitioned for U. N. help but no action has been taken.

Indochina Is Gateway

The two congressmen are members of a four-man foreign affairs subcommittee which returned recently from a swing through the Far East.

Judd said Southeast Asia "always has been the main target" of the Communists and that Indochina, its gateway, must be held. Zablocki voiced the opinion that the U. S. "cannot continue aiding the French in Indochina until the French bring us assurances of honorable intentions" to give the Viet Nam natives more freedom.

"I feel it is futile and dangerous on our part to assist the French if we are going to be listed as collaborators to colonialism," Zablocki said.

No Agreement Yet To Limit Debate On Tideland Oil Bill

By HARRISON B. HUMPHRIES
WASHINGTON (P)—Threat of round-the-clock Senate sessions next week failed today to produce any agreement to limit debate on a bill to establish state ownership of offshore submerged lands rich in oil.

One Democratic leader who has been pushing for passage of the bill said, "There will be no compromise—not when we've got 60

certain votes." He asked that his name not be used.

Supporters Absent
His 60-vote estimate agreed with that of Republican Leader Taft of Ohio. Taft said he couldn't be sure, however, that all senators supporting the bill would be present when the vote is taken.

Absentism played a part in Taft's reversal of a decision to force a test vote last night. He said five senators out of town protested and three or four supporters of the bill suggested more time be allowed for debate.

Taft says he will move to kill a substitute by Sen. Anderson (D-MN) which would establish federal control of the submerged lands.

Signals Changed
Taft, after twice changing signals yesterday, said he will make his motion Monday. It would cut off debate temporarily, forcing an immediate vote on Anderson's proposal. Taft said he will withhold it of an agreement has been reached by Monday to curb debate or fix a time for voting.

That condition was also attached to the decision of the Senate GOP Policy Committee to hold 24-hour sessions beginning Monday. Today is the 16th day of debate on the measure.

Janitor Has Robes

LOS ANGELES (P)—The mystery of the disappearance of Superior Judge William Neely's robes has been solved.

Police detectives arrested a City Hall janitor, James Langley, 50, on suspicion of burglary, and quoted him:

"I just sort of borrowed those robes to preach in, because I'm a deacon in my church."

INDUSTRIOUS DUTCH BEGIN ANEW—Bouncing back from their worst flood in 500 years, Dutch workers lay a drainage pipeline

on the Isle of Schouwen Duiveland. The Netherlands. Once again the land inundated by the sea will be reclaimed for farming.

West Europe Defense Short On Reserves, Says Gen. Gruenther

By ERNEST B. VACCARO
WASHINGTON (P)—Congress was told today that Western military forces in Europe "probably could cope with any surprise Russian attack but lack the reserves to meet long-range requirements."

This testimony came from Gen. Alfred M. Gruenther, chief of staff to Gen. Matthew B. Ridgway at supreme allied headquarters in Europe. Given at a closed session of the Senate Foreign Relations Committee April 1, it was made public today coincident with Secretary of State Dulles' attendance at the North Atlantic Council meeting in Paris considering future plans for the buildup of NATO's defense force.

Greatly Improved
Gruenther asserted NATO's situation was "vastly improved" over what it was at the start two years ago when its leaders worried "we might wake up some morning and find the whole Soviet and satellite force just pouring through, with warning that was no more than a matter of minutes."

He cautioned against cutting foreign aid so drastically that the French and other allies might fear "we are getting ready to pull out" of European defense.

Highly placed officials said Tuesday the Eisenhower administration is talking in terms of about a two billion dollar cut in former President Truman's \$7,600,000,000 foreign aid request for the year starting July 1.

Emergency Plan Ready
Gruenther told the committee there are still four million men under arms in the Soviet forces of 175 land divisions, 20,000 operational aircraft and upwards of 300 submarines.

Of the 175 divisions, 30 are stationed in Europe, the large part in forward areas, with others on the Western borders of the Soviet Union where they "can be quickly brought up for reinforcement."

He called the Russian MIG 15 one of the finest interceptor airplanes in the world, but said that in long range or strategic aircraft, "we have better types."

The NATO forces, Gruenther said, have "an emergency plan."

Strike Ties Up Greyhound Line

DETROIT (P)—A walkout of 285 maintenance workers today crippled all Great Lakes Greyhound bus line service in and out of Detroit.

The walkout by members of the CIO United Automobile Workers mechanics union hit lines normally servicing 100,000 Detroit area passengers.

Thousands of passengers in Birmingham, Trenton, Grosse Ile, Wyandotte, Ecorse, and other Detroit suburbs were stranded at the morning rush hour.

Company officials said the walkout also halted service to Toledo and northern Michigan points. Greyhound spokesmen said the strike erupted without warning at 4 a. m., this morning.

The maintenance workers threw picket lines at the company's Detroit terminal and at terminals in Birmingham and Wyandotte.

The tie-up of buses resulted when drivers, not involved in strike, refused to cross the maintenance workers' picket lines. Union spokesmen said the strike resulted "from an accumulation of employees' grievances."

Straits Bridge Gets Applause; Speakers Rap Queen Crowning

EAST LANSING (P)—A vigorous support of the proposed Straits of Mackinac bridge drew spontaneous applause yesterday at the first annual governor's tourist and resort conference.

Most of the audience of about 200 attending a panel on man-made resources broke into applause when J. Lee Barrett of Detroit, secretary of the Southeast Michigan Tourist and Publicity Association, spoke for the bridge project.

Must Show Faith
"While we're on man-made resources," Barrett said, "I want to mention what could be Michigan's greatest tourist attraction."

"I hope the legislature has the vision to see the possibilities of a bridge spanning the Straits of Mackinac."

Barrett said that too few people realize that the state of Michigan will not have to pay for the bridge.

"We have a bunch of New York bankers ready to put up the money to build the bridge," he said. "All we have to do is show our faith in the project by pledging \$500,000 a year for maintenance and upkeep."

Festivals Lack Punch
Shirley W. Allen, professor of forestry at the University of Michigan, told the delegates that there is too much crowning of "queens" in Michigan and not enough attention paid to publicizing the state's natural resources.

"I'm getting a little sick of these 'queens,'" he said. "Some of the larger festivals do a wonderful job and are great tourist attractions. But all some of the smaller ones have to offer is a carnival with the big attraction the selection and crowning of a queen."

Festivals tied directly to some outstanding local agricultural product would be more of a legitimate attraction, Allen said.

Convicts Eat Smelt
LANSING (P)—Inmates of the five lower peninsula conservation prison camps and the Michigan Parole Camp are filling up on fresh smelt these days.

A smelt-dipping expedition last week produced enough smelt for six meals for the camp inmates. S. J. Gilman, in charge of the camp program, reported the expedition saved the taxpayers \$100 a meal.

Many Sick And Wounded Held By Communists

By ROBERT B. TUCKMAN
PANMUNJOM (P)—The Communists said today they would free more disabled Allied prisoners—a startling reversal of their earlier insistence on releasing only 605.

They did not say how many more, nor their nationalities. But they did pledge to return all sick and wounded Allied troops in North Korean stockades as well as those captured recently.

Protest Stalled Off
The unexpected move apparently stalled off a possible U. N. protest that the Reds were holding back some disabled captives.

Allied prisoners exchanged in four days have said many more seriously sick and wounded were left behind in North Korea.

Gen. Mark Clark, U. N. commander, said he was gratified that the Communists, "in response to repeated requests from the U. N. Command, have agreed to return . . . all UMC personnel in this category."

Some of the recently wounded prisoners came back Thursday, pale and unbelieving. The day's total was 14 Americans, 5 Australians, 6 Colombians and 75 South Koreans.

Patients In Pain
Forty more Americans are due Friday. So are 4 British, 4 Turks, 1 Hollander, 1 Canadian and 50 South Koreans.

As Thursday's group returned, the guns offwar thundered just outside this neutral center where

(Please Turn To Page 6, Col. 6)

Reds Butter Up Freed Prisoners

FREEDOM VILLAGE, Korea (P)—Marine Pfc. Richard L. Owen of Buffalo, N. Y., said today the Chinese had decorated the roadside from Kaesong to Panmunjom with signs bidding returning Allied prisoners "Farewell, Quick Recovery" and "Bon Voyage."

He said the Communists also had placed signs around the Kaesong camp urging Allied repatriates to tell the people back home that the Chinese want peace.

Another Marine, Pfc. Joseph Britt Jr., Long Beach, Calif., said that for the last couple of days at Kaesong the Chinese "had really put on a show."

"Oh, they put on the dog, man!" he exclaimed.

Britt said the Chinese gave him a fountain pen and two cartons of Chinese cigarettes. Then he emptied his pockets on the table before him displaying the pen, cigarettes, a mirror and other trinkets and said "look at some of the trash they gave us."

Daylight Time Areas Change This Weekend

NEW YORK (P)—Daylight saving time begins this week and for millions of Americans, but the majority of the states still adhere to standard time.

About a quarter of the states are for that extra hour of sunlight. These are concentrated in the Northeast, with a couple in the Far West.

Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Partly cloudy tonight and Friday; a little cooler tonight.

ESCANABA AND VICINITY: Partly cloudy tonight and Friday; a little cooler tonight; low tonight 36 degrees; high Friday 55 degrees. West to northwest winds 15-22 mph diminishing this evening and becoming variable 8-15 mph late tonight and southerly 8-15 mph by Friday noon.

Jacksonville 55 Washington 59

Less Interest In Languages

Fewer Escanaba High School students are enrolling for courses in language than they did 10 and 20 years ago. In 1932, 10 per cent of the students enrolled for language courses, in 1942, 6 per cent enrolled for these courses, and in 1952, only 3 per cent of the students have signed up for language subjects. The reason for this decline is attributed to the fact that most colleges no longer regard a language as a necessary preparatory course for college entrance.

The number of pupils attending the high school has not greatly varied in the past 10 years. In 1942, 710 students were enrolled while in 1952, 628 students were enrolled. In 1932, 579 students were enrolled, but ninth grade was then a part of the Senior High School.

Of these students, 46 per cent are in the academic curriculum while 54 per cent are in the non-academic curriculum. This is a change from 1932 when 59 per cent of the students were under the academic curriculum while 40 per cent of the students were in the non-academic curriculum. A big factor in this change is that seventeen more courses are open to the students than in the year 1932. A technical school and a larger commercial training program have been added to the Senior High School educational program.

Students enrolled in mathematics have increased by 4 per cent since the year 1942, and the students enrolled in the science courses has decreased by 5 per cent.

Legion Will Honor Past Commanders Here On April 29

The 16th annual banquet honoring Past Commanders of Cloverland Post No. 82, American Legion, will be held Wednesday evening, April 29, in Legion Club rooms. It was announced today. Dinner will be served at 6:30 o'clock.

A memorial service to departed Past Commanders Elmer St. Martin, William Elmer, Harry St. Louis, Harry M. Compher and Philip Bruce will be conducted as a part of the program.

The banquet will be prepared and served by the Legion Auxiliary under the direction of Mrs. John Finn, Auxiliary president, who is in charge of arrangements.

Atty. Robert E. LeMire, president of the Past Commanders Club, requests that reservations for the banquet be made with him not later than Monday, April 27.

The complete list of Cloverland Post past commanders from 1920 to the present, to be honored at the banquet is as follows:

Walter C. Janson, James E. Frost, Elmer St. Martin, Harry St. Louis, Dr. Nathan Frenn, Dr. John Walch, Harry M. Compher, Emerson Harvey, Tom Beaton Jr., John Peller, Henry Breault, Philip Bruce, C. W. Flanagan, William Elmer, Alex Madalia, Elmer Swanson.

L. A. Danielson, Dr. C. J. Corcoran, E. R. Kauphusman, John Peltier, Edward L. Moersch, Edward F. Anderson, N. Peter Thompson, Clifford Vadnaia, Roy Baldwin, C. Elmer Olson, William J. Perron, Robert E. LeMire, Victor A. Johnson, C. T. Weir, Claude J. Tobin Jr., William J. Henderson, Robert Olsen.

Leave Woods Babies Alone, State Warns

Cute and defenseless though they may appear, the young of wildlife are capable of caring for themselves soon after birth and could they talk, would probably ask humans to leave them strictly alone.

Yet each spring, dozens of cuddly cub bears, spindly-legged and lovely fawns, humorous little raccoons and furry baby bunnies are scooped up from Michigan forests by well-meaning people seeking only to protect the soft little creatures from harm.

But state laws, made in good faith and with a knowledge of the ways of nature, prohibit taking and keeping wild young animals in captivity. Nature takes ample care of her youngsters without human help, having considerable experience at the job.

So the Conservation Department is again asking that wildlife be given a wide berth this spring, that the land, forests and animals, already busy with production, may proceed unmolested.

Gladstone Prepares To Meet Electric Problem

GLADSTONE—The Gladstone City Commission in special meeting today with Mead Corporation officials and consulting engineers prepared to meet its local electric power problem with the proposed construction of a \$2,000,000 generating plant.

As the result of today's session it appeared probable the Commission will initiate action for a referendum on the question of whether the city will build its own electric generating plant. This action may be taken at the next regular meeting of the Commission to be held Monday April 27.

The question proposed to be submitted to the people would be whether the generating plant should be built and the city should issue revenue bonds to finance construction. Revenue from the proposed electric utility would amortize the bond issue within 20 years.

Seek Surplus Market

If the people approve the construction of the plant could be started this year and completed in 1954. The plant would have two 3,000 kilowatt generating units, a capacity greater than the present needs of the Gladstone community.

Surplus current available for sale would range from 2,800,000 kilowatts in 1955 to 4,800,000 kilowatts in 1961, according to estimates presented to the Commission in a study made by Pfeifer-Schultz, consulting engineers of Minneapolis.

Mead Corporation officials were asked by the Commission whether it would be interested in purchasing surplus power from Gladstone, if and when the generating plant is built.

Figures on what current will be available up to 1960 and the rate schedule will be given to Mead officials this afternoon by Charles D. Podos representing the Pfeifer-Schultz company and H. J. Henrikson, Gladstone city manager.

Will Study Figures

The information will be received by J. H. Cunningham, comptroller, and Charles D. Gilsdorf, engineer, of Mead Corporation, Chillicothe, O.

Mead Corporation representa-

Rock P. T. A. Holds Last Social Meeting

ROCK — The Rock P.T.A. will wind up this year's activities at a social meeting which will be held at the Rock High School Monday, April 27, beginning at 8 p.m. Mrs. Nels Koski, Mrs. Reino Niemela, Mrs. Elmer Linjala and Mrs. John Jokela, who compose the entertainment committee, will be in charge of the recreational diversion for the evening. Newly elected officers will be installed and a buffet style lunch, provided by mothers of students in grades 7 through 12 will be served. All members are urged to attend.

Rock Cancer Drive

Chairman of the Maple Ridge Township cancer drive, Mrs. Walter Mannie, has announced that the fund raising campaign in this area is now in full swing. The following Rock residents make up the committee: George Kulack, Sulo Ruotsala, Mrs. Toivo Lauri, Mrs. Albert Weldum, Mrs. John Norman, Jr., Ahti Waak, Mrs. Roy Jacks, Mrs. Clarence Larson, Albert Juneau, Mrs. Edwin Walimaa, Mrs. Josie Carlson and Martin Muhonen. Soliciting will continue through the end of April.

tives said they will present the information to the Corporation officials and that a decision could be expected within one week.

Meanwhile the Commission hopes to go forward with the solution of its local power problem by initiating a referendum action at its meeting next Monday.

Gladstone's power contract with Upper Michigan Power & Light Company, subsidiary of Mead Corporation, expires in August, 1954. Mead Corporation has advised Gladstone that it is going out of the power business and does not want to supply power to the city after the expiration of the contract.

Provide Standby Power

Mead Corporation is interested in expanding its paper making operations at the Escanaba Paper Company and desires for its own use all of the electricity now generated by hydro and steam power on the Escanaba river and in the Paper Company plant.

In seeking an understanding with Mead Corporation on the possibility of its purchasing surplus power from Gladstone, the Commission was advised by Cunningham that Mead Corporation is desirous of being cooperative. Standby power would be available to Gladstone in the event of failure in the proposed municipal plant.

Attending the special session today besides those already named were E. G. Bennett, vice president and general manager of the Escanaba Paper Company; Con Driscoll, treasurer and assistant secretary of Upper Michigan Power & Light Company; and J. Clyde McGonagle, Gladstone city attorney.

Comprising the Gladstone City Commission are Mayor Michael LaPine, Adam Sinclair, Gordon Kelley, Rex Stowe and Archie Cowen.

Heart Attack Is Fatal To Vene Van Brocklin

Word has been received here of the death in Grand Rapids this morning of Vene Van Brocklin, about 60, father of Mrs. W. J. Smith, 319 South 5th Street, Escanaba.

Mr. Van Brocklin suffered a heart attack yesterday morning and died at his home, 44 Lake View Drive Southeast, at 2 this morning. Mrs. Smith flew to Grand Rapids via North Central Airlines yesterday to be with her father.

The deceased was well known in Escanaba, having visited his daughter and friends here many times in recent years. He retired from his business several years ago. Besides his daughter here, he leaves his wife, another daughter, Mrs. Phyllis Schumacher, of Detroit, and three grandchildren.

Funeral services tentatively have been set for Saturday in Grand Rapids.

Argus Gives Raise

ANN ARBOR (P)—Argus Cameras Inc., announced today that all employees received net pay increases of three cents per hour this month because of the annual improvement factor and a cost-of-living pay adjustment.

Disaster Alert Set For Friday

Escanaba's civil defense disaster group comprising police and firemen will participate Friday afternoon in a "Disaster Alert" in co-operation with the state-wide "Operation Wakeup" ordered by the Michigan Office of Civil Defense.

Glen S. Leonard, city safety director, and assistant to City Manager A. V. Aronson as civilian defense director in Escanaba, said the alert tomorrow afternoon is a trial notification in preparation for procedures should disaster strike the community.

"This means any disaster—fires, explosions, wrecks—as well as possible bombings," Leonard explained. "It will mark the beginning of a program of disaster preparedness to coordinate our efforts in civil defense and with the Red Cross and ground observer corps."

All police and fire officers who are off duty during the "Disaster Alert" will be summoned during the period from 1 to 3 p. m. Friday, all the public is asked to limit its telephone calls to the police department only to emergencies.

Paul A. Wohlen of Escanaba, Upper Peninsula coordinator, Michigan Office of Civil Defense, and Hagle Quarntorn, Gladstone, county director of Civil Defense, will leave tomorrow for Sault Ste. Marie where they will observe exercises of the Soo's civil defense organization in "Operation Wakeup."

Airliner Lost With Crew Of 4

SEATTLE (P)—A C-46 airliner with a crew of four aboard vanished over the Cascade Mountains early today on the last leg of a flight here from the East.

The Civil Aeronautics Administration, reporting the two-engine plane missing, said it made its last report about 4 a. m. EST over Easton, Wash., in the Cascades about 80 airline miles southeast of Seattle.

The plane, a non-scheduled airliner from Miami, Fla., was due at Boeing Field here. It left Cheyenne, Wyo. last night with only the crew of four aboard.

There was rain and heavy clouds over the Cascade Mountains at the time of the last report.

The CAA said it was possible the plane might have put down at an emergency strip but since the pilot has not reported "we are assuming it is down and are ordering a search."

The plane disappeared under circumstances similar to those involving an airliner which crashed in the Cascade Mountains while enroute to Seattle with a load of soldiers April 14.

Six of 25 aboard were killed in the crash. Nineteen were saved by dramatic rescue efforts.

In rare case a tiger may be all black or all white in color.

Public Invited To Dedictory Dinner For St. Anne's

Tickets are still available for anyone desiring to attend the dedication banquet following the dedicatory ceremonies at St. Anne's Church Sunday afternoon. The banquet will be held at 4 in the Knights of Columbus hall.

Tickets may be secured from any of the following persons, Mrs. A. Barron, Mrs. Adeline Grenier, Mrs. Florence Cleary, Mrs. Maymie Moreau, Mrs. Joseph Gardner, Mrs. William Richer, Mrs. Ragner Johnson, Mrs. A. J. Harvey, Mrs. Joseph DeGrand, Mrs. Alex St. Cyr and Mrs. G. E. Christie.

The toastmaster of the banquet will be the Very Rev. Joseph Guertin, dean of the Sault Ste. Marie deanery and former pastor of St. Anne's. Mayor Robert LeMire will speak for the community.

ity, Fred LaBranche for the parish, Very Rev. Msgr. Martin Melican for the Escanaba deanery, Rev. Clifford Nadeau, pastor of St. Anne's, and the Most Rev. Thomas L. Noa, Bishop of the diocese. The dinner will be prepared by the ladies of the parish.

Charter Revision Study Is Started; Suggestions Asked

Escanaba's charter revision commission last night established committees and procedures for the study of the present city charter and its revision to be submitted to the people for final approval.

The task will require long hours of work for the nine members of the commission and the revision is to be completed within less than 90 days, as required by Michigan law.

Persons who have suggestions in connection with revision of the charter are requested to put those suggestions in writing and submit them to City Clerk George Harvey, City Hall. The deadline for receiving such written suggestions is May 6.

To speed the study, the commission has been divided into four committees as follows:

Municipal powers and organization of government and supervisors: Miss Nina Ley, Donald Moreau, Atty. Wheaton Strom.

Finances and borrowing power: Lowell Hebbard, Hilmer Johnson, Mrs. Kay Gunderson.

Legislation: Atty Strom, Carl F. Johnson, George Embs. Taxation and special assessments: Carl Sawyer, Donald Moreau, Miss Ley.

Recommended rules and procedures committee, comprising Miss Ley, Carl F. Johnson and Atty. Strom, were substituted to the com-

mission and held over for further consideration.

Next meeting of the commission will be Wednesday, April 27, in City Hall. Meanwhile the several committees will continue their study of the section of the charter assigned them, in preparation for reports.

Man Must Relinquish Two Of Three Jobs

RIO DE JANEIRO (P)—The man who held three public jobs—and drew three salaries—will have to relinquish two of them, the ministry of education has ruled.

Prof. Assis Gomes held chairs in the school of engineering and the faculty of philosophy, as well as acting as consulting engineer for a university building program.

The ministry declared "It is not just that anyone receive three salaries from the state when innumerable Brazilians desire opportunities to perform public services."

Trade Volume Falls Off Here

Escanaba is one of five out of 19 Upper Peninsula cities to show a drop in volume of trade for the first quarter of this year compared to the first quarter of last year according to bank debit figures released by the Federal Reserve Bank of Minneapolis.

Bank debits here for the January-March period was 92 percent of trade in the same period last year, the figures showed. Only L'Anse with 90 percent fell off more.

For the month of March 1953 only, Escanaba bank debit figures were just under 100 percent of March 1952.

Other U. P. cities whose bank debits from January to March this year were under 100 percent of last year are Hancock, Ironwood and Manistique.

The city with the greatest increase over last year is Negaunee, where bank debits for the first quarter of 1953 stood at 124 percent of 1952.

According to the Federal Reserve Bank, bank debits mainly are checks against depositors' accounts. Thus they represent payments for goods, services, debts, etc., explained the Bank.

However, the Bank added, bank debits also include transfers of funds which of themselves have no business significance.

Bank debits include all debits against demand deposit accounts of individuals, partnerships, corporations, and states and political subdivisions; and payments from escrow and trust accounts, the Bank continued.

Bank debits do not include debits to deposit accounts of banks, the United States government, the postal savings system, and time and savings accounts, the Bank said.

Neither do they include debits in settlement of clearing - house balances, payments of certificates of deposit, cashiers' and certified checks, charges to expense and miscellaneous accounts, and similar charges, according to the Bank.

Kite Contest Set Saturday At Royce Park; Free Movies

Boys and girls who enter the kite flying contest Saturday afternoon at Royce Park will be treated to several free movies at the UCT clubhouse in the evening, contest officials stated today.

The movies will be of the Los Angeles Rams - College All - Star game of 1952 in addition to several comedy shorts.

The kite contest, under the direction of the UCT and the city recreation department, will get under way at 1 Saturday at Royce Park. All boys and girls up to 14 years of age are eligible to compete.

There will be three age classes of competition for kids up to 9, 10 and 11, and 12 to 14. Prizes will be awarded in each class for the largest, smallest, most decorated, most unusual kites, and there will be an altitude race and a 100-yard dash race.

Business Training Teachers Meet In Marquette Friday

The fifth annual meeting of the U. P. Business Education Association composed of instructors in commercial education in U. P. high schools will be held Friday at Northern Michigan College of Education in Marquette. Theme of this year's meeting will be challenges to Teachers of Business Education.

Principal speakers at the day-long session will include Leslie Whale, supervisor of business education at the Detroit city schools; Robert Gess, Minneapolis, district co-ordinator of electric trying in education for IBM, and Dr. Paul A. Carlson, Whitewater, Wis., director of business education at Whitewater State Teachers College.

All major fields in commercial education will be covered in the program, reports O. T. Hendrickson, Kingsford, president of the U. P. Association. These will include accounting, shorthand, retailing and typing.

Two of the sectional groups, retailing and shorthand, will be combined this year to permit all to hear both speakers, Hendrickson said.

The United States has 477 cities and communities of more than 25,000 population.

Press Carriers Will Leave Here Monday For 2-Day Tour Of Chicago

Twenty-seven Escanaba Daily Press carriers—Philip Sarasin, Michael Peltier, Anthony Scheriff, Richard Harrison, William Cameron, David Nordin, Michael Rooney, Robert Gasman, Kenneth Swanson, Donald Marrier, Stanley Sundelius, John Brown, William Bolm, William Maves.

Gladstone carriers—John Anderson, Charles Lash, James Brusoe, Donald Meilleur.

Rapid River carrier—James Casimir.

The boys will travel to Chicago via chartered bus, leaving at 9 p. m. Monday from Escanaba. They will arrive in Chicago Tuesday morning and will check in at the Conrad Hilton Hotel, world's largest.

The Tuesday program includes a trip to the Museum of Science and Industry, the Washington Senators-Chicago White Sox baseball game, dinner in Chinatown and a tour of the city.

Wednesday the youngsters will attend Don McNeill's Breakfast Club radio broadcast, visit the Planetarium, Shedd Aquarium and Field Museum, tour the Chicago Tribune, and attend a wrestling match.

The group will leave Chicago Wednesday night and return to their homes Thursday morning.

Duncan Cameron, circulation manager of the Press and George Coan, assistant, will accompany the boys to Chicago.

Myron Austad was chosen institutional representative and George Milkovich and Ben Yagodzinski were named committeemen.

Mrs. Myron Austad will continue as den mother of Den No. 1. The following boys are her Cub Scouts: Gregory Yagodzinski, Lee Matheson, Eric Austad, George Milkovich, Richard Peck, and Denner Conrad Yagodzinski.

Mrs. Louis Carr will continue as den mother of Den No. 2 with these Cub Scouts: Ronald Brazeau, Francis Carr, Michael O'Donnell, James Gerow, Daniel

Mortensen and Denner Leslie Rose. Louis Carr is den chief.

Mrs. Leonard Vader is the new den mother of Den No. 3 with the following Cub Scouts: Charles Vader, Perman Mattox, Aaron Raack, Jack Niles, Roy Hebert and Denner Robert Anderson. Louis Mattox is den chief.

Den No. 4 has been added with Mrs. William Craig as den mother and the following Cub Scouts: Philip Dambrosia, James Moreau, Joseph Clairmont, Michael Craig, Richard Craig, and Thomas Perryman.

Awards were presented to the following: bob cat pin, Richard Peck; wolf badge and arrow point, Eric Austad, Conrad Yagodzinski, Gregory Yagodzinski; wolf badge, Francis Carr, Leslie Rose, Ronald Brazeau, Perman Mattox; bear badge and arrow point, Dick Lewis, Gerald Liebel.

Denner stripes were awarded to: Robert Anderson, Gregory Yagodzinski, Leslie Rose and Blaine Smith. Louis Carr and

The Cost Of War-- In Terms Of Peace

In his "show me" foreign policy speech to the American Society of Newspaper Editors in Washington, President Eisenhower, in the series of simple, dramatic comparisons illustrated, below underlined, the waste of war. He pointed out that "Every gun that is made, every warship launched every rocket fired signifies . . . a theft from those who hunger and are not fed, those who are cold and are not clothed."

The cost of one modern heavy bomber represents a modern school in more than 30 cities.

We pay for a single fighter plane with half a million bushels of wheat.

We pay for a single destroyer with new homes that could house about 8000 people.

Matheson Pack 411 Cubmaster

Glen Matheson was chosen 1953 cubmaster for Cub Pack 411 during the monthly pack meeting last night.

Myron Austad was chosen institutional representative and George Milkovich and Ben Yagodzinski were named committeemen.

Mrs. Myron Austad will continue as den mother of Den No. 1. The following boys are her Cub Scouts: Gregory Yagodzinski, Lee Matheson, Eric Austad, George Milkovich, Richard Peck, and Denner Conrad Yagodzinski.

Warn Of Forest Fire Dangers

Recent warm days, with high winds have increased the fire danger in Delta county and the Hiawatha National Forest to the point where fire officials are becoming gravely concerned with the possibility of large fires.

During the past week fire of approximately 150 acres occurred on the Manistique Ranger District of the Hiawatha Forest. Prompt action by suppression personnel and the aid of favorable ground conditions prevented the fire from covering a much larger territory.

All fire control positions are being manned and equipment has been placed in readiness to combat fire emergencies. However it is hoped that local forest travelers will continue to use the same precautions they have exercised in the past in order to prevent fire, officials emphasized.

The opening of trout season on Saturday increases the fire risk somewhat because of the large number of people in the woods.

National Forest and State Conservation officials urge all trout fishermen as well as all forest users to take extreme care with fire in order to keep Michigan green.

Senate Members Ask Governor To Retain Doyle On Park Board

LANSING (AP)—Twenty-nine of the Senate's 32 members, Democrats and Republicans alike, today petitioned Gov. Williams to reappoint W. F. Doyle of East Lansing to the Mackinac Island State Park Commission.

Doyle, the long-time chairman of the present commission, loses his commission seat along with all the other members under a new law passed by the Legislature this year. It sets up a new six-man bipartisan commission.

Hospital

Mrs. Chester Anderson, 1424 N. 20th St. entered St. Francis Hospital yesterday for surgery.

Gary Abrahamson Jr., 2, son of Mr. and Mrs. Gary Abrahamson of Chicago has been admitted to the Children's Memorial Hospital for treatment. His condition is reported as fair. Gary's parents are both former residents of Escanaba.

Doyle, the long-time chairman of the present commission, loses his commission seat along with all the other members under a new law passed by the Legislature this year. It sets up a new six-man bipartisan commission.

Mammoth Ore Train Hauls 170 Cars Here

Four diesels hauling 170 cars of ore, longest and heaviest train ever handled on the C. & N. W. Peninsula Division, arrived in Escanaba Tuesday night, George Stuart Peninsula Division superintendent, said today.

The four diesels, with 6,000 horsepower, left Watersmeet Tuesday with 125 carloads of Gogebic ore, picked up 25 additional cars of Gogebic ore at Palatka, and 20 more cars of Gogebic ore at Antone.

Total ore tonnage was 16,276 tons, Stuart said.

In charge of the giant train were Joseph Beitzer, conductor; W. Roushorne, engineer; C. Coulard, fireman; C. Johnson and L. Wilmotte, brakeman.

Defeat Of Payroll Tax Is A Victory For Reason, Justice

THE defeat of the payroll tax bill in the Michigan House of Representatives is a victory for common sense and justice. The payroll tax is a poor approach to Michigan's current financial mess.

The proposed levy, five mills, was not oppressive in itself but the principle of the tax base definitely was unfair. It would have been discouraging to industry and particularly to efforts to attract new industry into Michigan. Also, it would have hit all industries on an equal basis, those that are struggling for existence as well as those that are profitable enterprises.

A more equitable tax, even with its deficiencies, is the Cloon proposal for a 2% levy on the net earnings of business and

professional people in excess of \$10,000. This tax, like all tax proposals, is not welcomed by anyone who may be called upon to pay it, but at least it levies against those who are most able to pay. It would raise \$44,000,000, or about 10% more than the payroll tax that was rejected by the House Tuesday.

The bad feature about any of these tax proposals is that it opens the door for a new form of taxation in Michigan. The introductory rates are comparatively low but there is the ever-present danger that new efforts will be made in succeeding years to boost the ante. That always happens with new taxes.

However, the necessity for a new form of taxation is quite evident. The state is headed for financial ruin unless something drastic is done to reverse the trend in annual deficits.

Eisenhower Seeking Initiative From Reds

PRESIDENT Eisenhower plainly understands the importance of restoring the initiative to the free world in its great struggle with the Soviet Union. He is acting to press a western counter-offensive to take the play out of the hands of the Kremlin.

That is the underlying meaning of his first major speech since Stalin's death, and of the moves the President has made since the talk.

It would have been of extreme value had Mr. Eisenhower merely called the Russians to account on their own peace offensive by demanding deeds instead of words. He did that, but he went beyond.

And there it was that he sought to seize the initiative. He not only bid Moscow to act, but he told them in what directions they ought to act if they mean business.

He called for a Korean settlement that would produce a free and united Korea. He asked for the Red's long overdue signature on an Austrian peace treaty. He spoke of uniting Germany through free elections. He laid out the prospect of a general Far Eastern settlement that would see an end as well to Red-inspired hostilities in Indo-China and Malaya.

In all these realms, the Kremlin is either actively pursuing aggressive combat or is vigorously blocking settlements which would have distasteful consequences. The Reds are accustomed to putting forth phony appeals for peace in these areas, always, of course, on impossible terms.

Mr. Eisenhower has set down his own appeals this time, in the name of the United States and the whole free community. Terms he has indicated only broadly, but he has unmistakably rejected at the outset the sort of surrender the Reds would have us make.

Certainly the Communists must now reply, unless they wish to be exposed once again as having fostered just one more slightly more elaborate fake campaign. The response to the President has been enthusiastic at home and abroad. He said little that was really new. But he spoke fervently, lucidly and reverently for peace at a critical moment in history. The words had fresh meaning because they were spoken in a new time, to new enemy leaders.

It is hard to see how Premier Malenkov and his associates can ignore these words, or the actions that are following from this government. If the Russians want peace, they have been given a new opportunity to say so and prove it. If they do not, President Eisenhower has taken a course exactly calculated to expose their real desires.

Merry-Go-Round

By DREW PEARSON

WASHINGTON — Sometimes private citizens can do almost as much about peace as their government, sometimes almost a little more.

A case in point is President Eisenhower's inspiring speech proposing the use of arms money for reconstruction of the world—if Russia will show a real desire for peace.

The most important thing is to get this message across to the people of Europe, not merely behind the iron curtain but on the free side of the iron curtain. To this end the patriotic Italian-American newspaper, Il Progresso di New York, will soon print the full text of President Eisenhower's speech in the Italian language and in such form that it can be clipped and mailed back to friends and relatives in Italy.

This important gesture by Il Progresso will have greater effect than might appear on the surface. For the chief slogan of the Communists in Italy and elsewhere is that the United States is the world's chief warmonger, while Soviet Russia is the chief champion of peace. This theme has been hammered home so vigorously that a lot of people really believe it.

Therefore, to have Americans of Italian descent mail copies of Eisenhower's inspiring speech back to Italy is extremely important. Its importance lies in the fact that it will come from one friend or relative to another, not from a government.

People trust friends and relatives. They don't always trust governments.

This columnist would like to suggest that Polish, Hungarian, Croat and other foreign-language newspapers in the United States also print Eisenhower's speech in their language and urge that it be mailed to every country in Europe.

NO \$ FOR PEACE

Congress is spending a record three million dollars on investigations, but hasn't invested a nickel in examining the vital question of peace or war.

This was brought out the other day during closed-door cross-examination of Undersecretary of State Bedell Smith, who was reporting to the Senate Foreign Relations Committee on the new Russian peace offensive. Smith explained that the Central Intelligence Agency had prepared a detailed analysis of Russian intentions.

"Has this been made available to the committee?" inquired Minnesota's Democratic Sen. Hubert Humphrey.

"No one has asked for it," shrugged Smith.

This prompted Humphrey to propose a careful study of the new Russian government. He urged calling in all the nation's experts on Russia; and listening to their ideas. Otherwise, he argued, the Senate wouldn't be qualified to carry out its constitutional duty of advising the President on foreign affairs.

However, the senators didn't seem much interested. Apparently they would rather spend money hunting headlines than digging into the complex problems of peace.

Note: This indifferent attitude indicates the importance of newspaper publisher Gannett's suggestion that we establish a department of peace dedicated to promoting and pushing peace every day in the week. A similar suggestion has also been made by R. M. Davis of Morgantown, W. Va., and Congressman Staggers of West Virginia has introduced a bill in congress looking toward that end.

POLITICAL POTPOURRI

It's no secret around the White House that Secretary of State Dulles is suspicious of foreign aid boss Stassen. That's one reason Dulles let Stassen down in his fight with Senator McCarthy. Inside fact is that Stassen has been doing an A-1 job, takes his work home at night, surprises associates with his knowledge of international problems . . . Michigan's popular Gov. Mennen "Soapy" Williams is quietly researching the political record of Sen. Homer Ferguson—a prelude to challenging Ferguson's senate seat in 1954 . . . Senate appropriations boss Styles Bridges has promised his friend, John L. Lewis, to restore the cuts that Secretary of the Interior McKay made in mine safety . . . Utah's fuddy-duddy Sen. Arthur Watkins seems to spend most of his time getting into petty feuds with fellow Mormons. He's now spreading a whispering campaign against Interstate Commerce Commissioner James Knudson . . . incidentally, Secretary of Agriculture Benson isn't the only Mormon in high public office. Federal Communications Chairman Rosel Hyde is official greeter at the Mormon chapel in suburban Chevy Chase, Md. . . . Tariff Commission Chairman Edgar Brossard is active on the Mormon high council in Washington . . . ICC Commissioner Knudson sings hymns at church, and Utah's other Mormon senator, Wallace Bennett, teaches a Sunday-school class . . . Dr. Allen Astin, the now-he-fired-now-he-isn't Bureau of Standards chief, is also a Mormon. So is U. S. Treasurer Ivy Baker Priest, who signs all the government's greenbacks.

KOREAN HERO

Army officials are considering awarding the nation's highest decoration, the medal of honor, to Private Courtney L. Stanley, the 19-year-old Mansfield, La., Negro, whose extraordinary heroism on Korea's "Little Gibraltar" saved the life of his wounded commanding officer, Lt. Col. Harry Clark of Columbus, Ga.

Although defense contracts had already pulled several depressed areas to their feet—New York, Detroit, San Diego, for example—one Surplus Manpower Committee member declared:

"There are some areas that simply have nothing to offer us. No facilities, skills or resources. We can't pour money in there when we're trying to streamline our office. We've got to cut costs, not build them."

For the most part, help for distressed areas comes from a "Hometime Point Four" program that sends depression technicians to the towns that need them.

Working with state and local agencies and public groups, these labor engineers have helped cities like Cumberland, Md., and Havelton and Pottsville, Pa., to raise money to build new factories as an inducement to investors.

The federal program also coordinates the resources of railroads,

"Here --- We've Nothing to Lose but Our Chains"

Cure For Unemployment:

Bring Work To The Workers, Diversify Local Industries

By WARD CANNEL

NEA Staff Correspondent

WASHINGTON (NEA)—Somewhere in the unmapped land between theory and counter-theory, top-ranking planners hope to find the road to really full employment and peacetime prosperity.

Experts in the Commerce, Labor and Defense departments who refuse to predict either boom or bust, are certain on one point: the government cannot support the economy forever.

They point to 35 American communities that are still stranded with serious unemployment in the sea of national plenty. It is through helping "depressed areas" to their feet that federal planners hope to find the way to national stability.

Their success in wiping 22 cities from the distressed list has led them to two basic conclusions:

1. Work must be brought to the stranded workers. Otherwise America might see herself a mobile labor force, moving from job to job, without roots, education or health.

2. There must be a diversification of industry for all cities. Otherwise there will be no cushion for the shock of a dying industry or a worn-out mine.

Spokesmen for the National Production Authority charged that the defense administration had bungled "a wonderful chance" to spread today's defense economy evenly and at the same time prepare for the peacetime future.

The NPA blast was leveled at the tax amortization program that had allowed producers of defense equipment to build new plants—and offer new jobs—by wiping off a 15-year tax debt in five.

"This was a plum for private investors," one expert said. "And it could have been used to induce them to put their factories in the towns that need them instead of already crowded areas. Instead, he cited one manufacturer who wanted to use the program to build a new plant in the south that would replace his several New England factories, leaving hundreds of men jobless."

Said the NPA: "If businessmen are going to use public funds—like a tax write-off—they've got to use it for the public good."

It was distinctly possible, this expert admitted, that future planners might have to "suggest strongly where factories should stand."

Although defense contracts had already pulled several depressed areas to their feet—New York, Detroit, San Diego, for example—one Surplus Manpower Committee member declared:

"There are some areas that simply have nothing to offer us. No facilities, skills or resources. We can't pour money in there when we're trying to streamline our office. We've got to cut costs, not build them."

For the most part, help for distressed areas comes from a "Hometime Point Four" program that sends depression technicians to the towns that need them.

Working with state and local agencies and public groups, these labor engineers have helped cities like Cumberland, Md., and Havelton and Pottsville, Pa., to raise money to build new factories as an inducement to investors.

The federal program also coordinates the resources of railroads,

NEA staff keeps "men wanted" signs like this hanging out in most of the U. S., but the signs read "unwanted" in 35 communities still listed as "distressed areas."

utilities and banks to build funds and confidence in depressed areas and consequently among investors and producers.

More and more frequently agency men are being called on to teach new skills to jobless workers as another inducement to producers. New skills affect the town's social structure, as well.

Federal assistance is also extended to the investors themselves. If you'd like to build a new plant, the Bureau of Employment Security is prepared to tell you about each one of the nation's 182 labor areas; what resources, what labor force, what factory space, what skills are available and how well they'll adapt to your business.

In some desperate towns, federal men have run into the problem of job piracy. Many hungry communities will try to steal factories from other towns by giving away new plants or dropping wages below subsistence or reducing taxes.

"This," one expert claimed, "is long-run cannibalism. These towns are feeding themselves either by eating their own arm or their neighbors."

Although planners try to get federal money into "soft" areas in the form of Veterans' Hospitals and public construction, it is through private expansion and investment that most economists see our nation continue to thrive.

If private investors can use federal planning to help themselves, experts say, we'll have no depressed areas and perhaps no depression.

Most of the subjects are non-celebrities. (Then occasionally a star drops in, thinking his function is merely to introduce the unsuspecting real subject, another star. The introducer discovers he is the subject, and the reaction frequently is tears.)

Dinah Shore, who thought she was introducing Eddie Cantor, was given a fresh hankie in mid-program. Roy Rogers, who thought he was to introduce the pastor who married him and Dale Evans, had to keep rubbing something out of his eyes.

"This Is Your Life" grew out of a "Truth or Consequences" broadcast. Edwards "wanted to do something for the paraplegics"—wounded World War II veterans with paralyzed legs. Army doctors told him it was helpful, if they were mentally depressed, to get them talking about the past and have them meet old friends.

Audience reaction, the greatest Edwards had had, suggested a whole new program. "This Is Your Life" went on radio first, then switched to TV last October.

Good Evening...

By CLINT DUNATHAN

AN EARLIER VIEW—A friend of mine has directed attention to a little known fact in connection with the proposed Straits of Mackinac bridge. It is the statement a leading U. S. industrialist, Cornelius Vanderbilt, made in 1888:

"We need a bridge across the Straits of Mackinac," said Vanderbilt following a tour of the Great Lakes and a visit to Mackinac Island, even then a popular summer resort.

Today men are still demanding the spanning of the Straits. Realization of the dream of more than three-quarters of a century appears closer than ever before.

While the statement of the late capitalist, Vanderbilt, in the light of today's engineering knowledge appears to have been based more on hope than reality, it is such enthusiasm that has brought the bridge closer to reality.

One of the most ardent unofficial spokesmen for the Straits Bridge in the Upper Peninsula is Charles Burton of Gladstone. He has traveled hundreds of miles and made hundreds of speeches for the bridge—without one cent of compensation or any thought of it.

SMELTING PARTY—With the smelt run now at its peak the young people of Escanaba, Gladstone and other communities are enjoying themselves at evening "smelting parties."

Pop, weiners, or fresh-caught smelt cooked over a bon fire, and bread or rolls provide food for the young fishermen. Dipping smelt is the main feature of the recreation program.

Several boys at one of the smelting parties decided to emulate the 1920 college stunt of swallowing live fish—but they found the smelt is larger and harder to swallow than a gold fish. They compromised by biting the heads off live smelt.

The bit of bravado, however, is not recommended for those with squeamish stomachs. As for the smelt—what matter if his head is lost by teeth or knife?

WITH PICTURES—Jean Raymond of Escanaba stopped in the other day to show me some old photographs and to obtain information to settle an argument.

The photographs were made in 1907-8 and depicted the construction of the water filtration plant at Ludington Park, a plant that is now being razed following the building of a new water plant at Sand Point.

The argument, said Jean, was over the date of construction of the old plant. Was it built in 1906? Or 1907 or later?

The question came up, he said, when this column presented information from an old copy of the Escanaba Daily Mirror of 1906, in which were stories concerning the bonding of the city to buy the water plant, then privately owned.

Some people were for city ownership of the water utility, others were opposed to it. The bond issue did carry, the city did buy the plant—then only a pumping station.

The editor of the Daily Mirror, opposed to the bond issue and public utilities, commented:

"After the purchase of the plant an additional \$60,000 would be required to construct a modern filtering plant such as is admitted is necessary."

The city did build the filtration plant in 1907-08. It is this plant with its thick concrete walls that is now being removed with considerable difficulty by Pearson Construction Company, contractors who completed the city's new plant at Sand Point. Besides all of the usual wrecking methods, Pearson workmen have had to resort to dynamite charges to break the heavily reinforced masonry.

SUGGESTION—The Escanaba Fire Department, through the Escanaba Chamber of Commerce, is offering a suggestion to merchants along Ludington Street which might be equally beneficial to many of the residents of the city.

Business houses are asked to post their street numbers and the name of their establishment in a conspicuous place in the alley. This will quickly guide the firemen to the proper place when answering a fire call.

There are other advantages as well, of course, for such posting of street numbers in the alley is helpful to truckers, deliverymen, and others.

Home owners in the more thickly settled areas of the city will do the milkman and the grocery delivery boy a good turn if they would put their residence number on the back of the house as well as on the front.

Willie Oakes says he and his wife never toss harsh words back and forth. She does the pitching and he does the catching.

ESCANABA DAILY PRESS

The Doctor Says . . . Patients Have Been Unsung Heroes Of Medical Progress

By EDWIN P. JORDAN M. D. — Written for NEA Service

Readers of newspaper sare familiar with the extraordinarily interesting studies of gamma globulin as a possible help in preventing the paralyzing effects of polio. One noteworthy feature of these scientific studies is the assistance rendered by the public.

In this connection one of the scientific reports, for example, said:

"The whole community apparently decided that it had been offered an opportunity to participate in a very important project that could do them no harm and might lead to immediate local benefit and to long-term benefit for many others."

The public cooperated with the experiments by the thousands.

This brings to mind the many contributions which patients themselves rather than their doctors have made to the advancement of medical knowledge. Too often, the patient has been more or less forgotten and only the scientist or doctor remembered.

Probably the most celebrated of all patients was Alexis St. Martin, who contributed—at times most unwillingly—to the modern knowledge of how the stomach behaves.

Young Alexis, when 19 years old, was shot in the abdomen at close range on June 6, 1822. He recovered from this accident but it left him with his stomach exposed to view.

Dr. William Beaumont, a United States Army surgeon, observed the processes of digestion in Alexis St. Martin's stomach over a period of years.

Alexis St. Martin, in spite of this hole in his stomach, lived until the ripe old age of 83.

Another American patient whose service to medical science is not generally known was Mrs. Jane Todd Crawford, from whom Dr. Ephraim McDowell performed the first ovariectomy, which is an operation for the removal of a cyst or tumor of the ovary.

From her remote farmhouse in the wilds of Kentucky she went on horseback to the town of Danville, where the operation was performed, in December, 1809. At that time neither doctor nor patient recognized the importance of the operation to coming generations.

Another example is Isambard Brunel, a distinguished engineer.

HE SWALLOWED COIN

In 1843, Brunel was entertaining some children by pretending to pass a coin from his ear into his mouth when he accidentally inhaled the coin. This was followed by an attack of choking and coughing and the patient could feel the coin move in his windpipe when he coughed or bent forward.

Attempts to remove the coin failed on several occasions, but some six weeks after the accident Brunel supervised the construction of a table which could be moved into the upright position. He had himself strapped to this table, turned upside down and shaken.

After a few coughs he heard what he called the delightful music of the coin clinking against his teeth.

There are many other patients who have served us all, a few being well known but most whose praises are unsung.

Into The Past

10 YEARS AGO

Escanaba—A twin-engine army plane, a Beacher, piloted by Major F. D. Potter, roared into Escanaba yesterday from Traux Field, Madison, Wis. Tech. Sgt. Jack Winkling, son of Mr. and Mrs. Leonard Winkling, Escanaba Rte. 1, was co-pilot of the plane, which had a crew of five men.

Gladstone—Ted Davis and Eugene Noblet arrived Thursday from Houghton, where they attend the Michigan College of Mining and Technology, to spend the Easter vacation at their parental homes.

20 YEARS AGO

Escanaba—The proposal of the Escanaba city council to advance the clocks to daylight saving time this summer has been endorsed by Dr. A. S. Kitchen as an aid to better health because of hours left for activity in the sunshine.

Science Studies
Lives Of Fishes

WASHINGTON—The National Geographic Society and the Marine Laboratory of the University of Miami at Coral Gables are conducting a long range investigation into the lives of the pelagic (ocean-going) fishes, including the tarpon and sailfish of sportsmen and the food fishes such as tuna and mackerel which can fortify with protein the diets of millions of people.

In announcing the project, Dr. Gilbert Grosvenor, president of the Society, pointed out that the pelagic fishes investigation is a continuation and enlargement of the intensive study of the oceanic plankton which the National Geographic Society and the Marine Laboratory have pursued over the last two years.

Working with fine silk nets in the Gulf Stream and off the coasts of Florida, scientists of the Marine Laboratory have added immensely to mankind's knowledge of the tiny planktonic life with which the sea abounds and on which all animal life in the sea depends.

Drift In Plankton
The young of the pelagic fishes are presumably a part of the plankton, too. With billions of other tiny creatures, they drift with the currents until they attain the strength to lead separate lives. Beyond that, their life histories are almost completely unknown.

Recently, the nets of Marine Laboratory scientists have brought up a number of larvae of important sports and food fishes—sailfishes with tiny sails and swordfishes an inch or so long with tiny swords. They have captured scores of baby flatfishes, flounders and flukes, with their eyes in the process of migrating from one side of their heads to the other.

They have netted other larvae that may well be the young of valuable food fishes but which are so utterly different from fish in the adult stage as to be unrecognizable. An immense amount of investigation and patient study will be required merely to identify the larvae. It is this study, of deep-water ocean fish from the egg to the table or the sportsman's hook, that the Society and the Marine Laboratory have now undertaken.

Smith Heads Project
Dr. F. G. Walton Smith, head of the Marine Laboratory since 1940, has been named director of the pelagic fishes investigation project. Dr. Grosvenor said. He will be assisted by Dr. Hillary B. Moore, oceanographer, and by some sixty scientists and graduate students of the Laboratory.

Much of the work of collecting specimens from the sea will be done aboard the University of Miami's research ships, Mysis and T-19, from which nets can be lowered to a depth of 400 fathoms. Several Caribbean government are cooperating to supply the project with additional plankton samples. Arrangements also have been made for using private yachts and the services of sports fishermen.

Soo Hill Men's
Club Officers
For Year Named

SOO HILL—The Soo Hill Men's Club met Tuesday evening at the school and elected the following officers for the coming year: Tom Needham, president; Harry Randall, vice president; Robert Jensen, secretary; Harold Meiers, treasurer.

The following committees were named:
Program—Robert Jensen, chairman, Frank Bender Jr., Leonard Peterson, Francis Brazeau.

Membership—Joe Whitney, Norman Anderson, Jules Van Acker, Paul Nickolls.
Lunch—Ernest Anderson, Art Lambert, Ken Courchaine, Harry Randall.

Playground—Tom Needham, Needham, Harold Meiers, Royal Johnson, Ed Deiter, Malvin Thoma.

Baseball Team—John Chriske, Chairman, Steve Maziarz, Henry DeSautel, Byron Ford.

A lunch was served following the meeting.

Gulliver

GULLIVER—Mr. and Mrs. Harley Brock and family have returned from a week's visit with relatives and friends in Oregon, Ill.

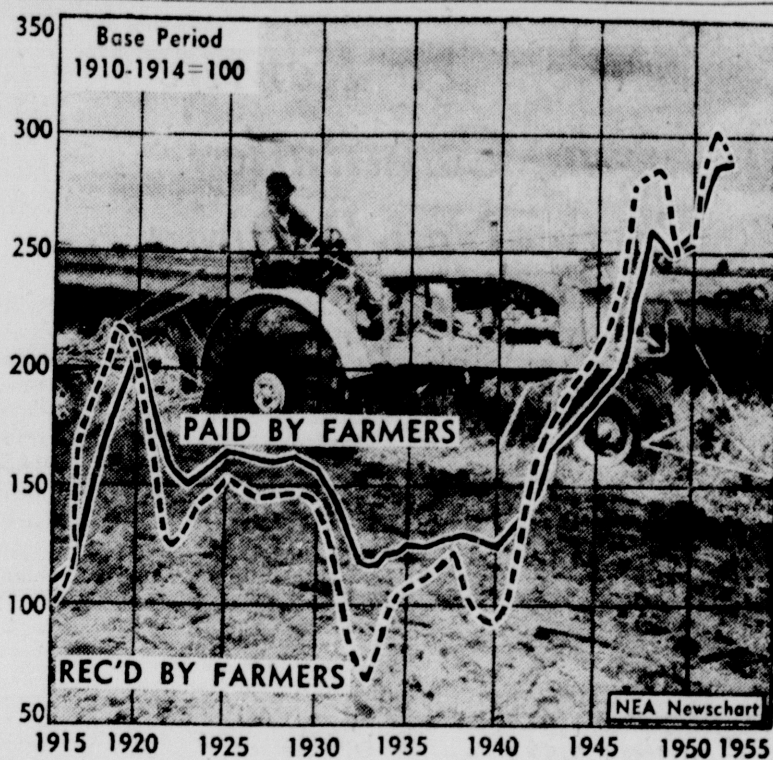

The Community Planning Club will sponsor a card party Saturday, April 25, at the Whitelake School as a benefit for the Cancer Fund.

Mr. and Mrs. Algot Erikson who are at Del Ray Beach, Fla., are returning in the near future to open their summer home on Gulliver Lake.

Mr. and Mrs. John Bergman of Detroit are spending a few weeks here.

Mr. and Mrs. James Lasich have returned from Chicago where they spent the winter.

Mrs. Irene Trippensee, accompanied by Miss Eleanor Kapsa arrived Monday from Chicago to open her home for the season.

FARM PRICE PINCH—When farmers have to pay more for things they buy while their own income is dropping—there's trouble. That's what's happening now. Trace the dotted farm "price received" line above. During World War I it soared above the black "prices paid" line. In 1920 it nosedived. Result: trouble leading into the Great Depression of the 1930's. With World War II farm prices soared again. Result: "prosperity." Now, farm prices have been generally dropping since 1951, while manufactured goods farmers must buy remain high. Result: that's what farmers, manufacturers and Washington are worried about. Chart data from National Industrial Conference Board.

Tear Down House Of
Irish Father Of 63

WEXFORD, Ireland (AP)—The tiny thatched cottage where Michael Fenelon fathered his 63 children is to be pulled down. Local authorities have ruled it unfit for habitation.

Michael married at 17. He had 25 children by his first wife, 18

by his second and 20 by the third. He died in 1900, aged 99.

More than 250 of Michael's descendants still live in Wexford. Others have settled in New York, Chicago, San Francisco and Boston. Still more live in Australia and South Africa.

The cottage is in Wexford's Black Cow Lane. Once 43 of Michael's children gathered there for a Christmas dinner.

Hermansville

HERMANVILLE—S/Sgt. George Lecoursier has returned to Ft. Snelling after spending the weekend with relatives.

Caesar Povolo of Milwaukee and Judith Povolo of Escanaba spent the weekend with their parents, Mr. and Mrs. Michael Povolo.

Mrs. G. Harold Earle has left for the west coast to join her husband.

Pvt. Roger Whitens has returned to Ft. Knox, Ky., after spending an eight-day leave with his parents, Mr. and Mrs. William Whitens.

Mr. and Mrs. Charles Schwartz have returned to their home after spending the winter months in Manistique. They were accom-

panied here by Howard Schwartz and Douglas Grimes.

Linus J. Mcnard, seaman apprentice of the U. S. Navy, has left for Brooklyn where he will board the aircraft carrier, "The Wasp" for England. He will be there for the coronation. This is part of an 18-month cruise.

Sunday guests at the home of Mr. and Mrs. John Rodman and son were Mr. and Mrs. Harry St. Onge of Duluth, Mr. and Mrs. Harvey St. Onge, of Sturgeon Bay, Herman St. Onge of Spokane, Mr. and Mrs. Jerry Dugan and daughter, Leo and Ivan St. Onge of Menominee. All were called here by the death of Eli St. Onge at the Pinecrest Sanatorium.

Pre-School Clinic
Mrs. Edward Hiller, kindergar-

ten instructor will conduct a pre-school clinic Tuesday afternoon, April 28 at 1 p. m. Mothers of children who will be 5 before Dec. 1, are asked to bring their children, whether they will attend the Hermansville kindergarten or go elsewhere.

Doctor Harrison and Miss Irene Larson will be in charge of the health part of the program. Mrs. Hiller will register the child for the school year.

Mothers are asked to bring with them information concerning various diseases the child has had and their birth certificate.

Honor Fr. Hofmann
The Rev. Frederick Hofmann was honored Sunday evening by the people of the parish at a party in celebration of the silver jubilee of his priesthood. The church

basement was decorated in silver for the occasion. Fr. Pellissier and Fr. Hassenberg of Iron Mountain and Fr. Maley of Norway attended and each gave short speeches in honor of Fr. Hofmann. Other entertainment was music by the Malone Trio and piano accompaniment by Marion St. Juliana, Margaret Antonetti and Robert Whitens. Fr. Hofmann was presented with a gift from the parishoners.

Honor Coach and Team

Members of the Hermansville Lions Club and their wives entertained Coach Maule and Mrs. Maule, assistant coach Donald Hill, varsity basketball players and 5 varsity cheerleaders at a dinner Monday evening at the Menominee Hotel.

Lion Jack Kleimola was master of ceremonies. Following the

dinner Coach Maule introduced his assistant, members of the team and the cheerleaders. Jack Gosling entertained the people present with his hand tricks. The evening closed with movies of the 1952 football playoff game between Detroit and Cleveland and the Green Bay Packer Highlights for 1952.

Fire Evicts 200

KANSAS CITY—Flames swept through the four-story Washington Hotel early today.

Francis Wornall, fire department director, said all 20 residents escaped unharmed, "as far as we know."

Cause of the fire was not known. Try a Classified Ad today Call 692

Water Barriers Aid In Stopping Forest Fire In Thunder Lake Area

A forest fire west of Thunder Lake was brought under control at 5:20 p. m. Tuesday after raging furiously for nearly three hours ahead of a strong southwest wind.

Water barriers formed by Thunder Lake and Kilpecker Creek were credited by Edwin C. Crook, Manistique forest ranger, with

Lions Nominate New Officers

A slate of officers to serve during the next fiscal year was presented in nomination at a regular meeting of the Manistique Lions Club Tuesday evening. Election will take place later.

The slate, offered by Adam Heinz, nomination chairman, follows:

President, Earl Cox; first vice president, Carl Graves; second vice president, O. F. Smits; third vice president, Dr. C. L. Novak; secretary-treasurer, Howard Hewitt; Lion tamer, Frank Gierke Sr.; tall twister, Harold Plichta; directors, one year, John Raffay, Dr. Merle Wehner; directors, two years, Clarence Peterson, William L. Norton.

Reports also were made on the club's amateur show on May 2, the recent Upper Peninsula Lions bowling tournament at Chatham, International and district conventions, and sight and blind activities.

A "ladies night" program and dinner on May 19 has been tentatively scheduled at the Elks temple, it was reported by John Raffay, committee chairman.

Briefly Told

Choir Practice—The choir of the First Baptist Church will meet in the church tonight at 7:15.

K of C Meeting—The regular meeting of the Knights of Columbus Lodge will be held Monday evening at 8 in the club rooms.

Westminster Fellowship—The Junior High Westminster Fellowship of the Presbyterian Church will meet tonight at 7 in the church.

Social

Pink and Blue Shower—Mrs. James Gouin was honored at a pink and blue shower recently at the home of Mrs. Ralph Deloria, N. Houghton Ave. The party was arranged by her mother and sisters.

Prizes were awarded to Mrs. Lee Bare and Mrs. Clinton Larson in 500 and Miss Irene Krusic and Miss Marion Bacon in buncos. The special award was given to Mrs. Richard Martin. Lunch was served at the close of the evening.

Mrs. Gouin received many gifts.

Grand Marais

GRAND MARAIS—Services in Methodist churches in the Grand Marais-McMillan parish Sunday and in the coming week with Rev. K. Wipp, minister, are as follows:

McMillan—Morning Worship Service 10:00 a. m. Sunday school 11:00 a. m.

Women's Society meeting 2:00 p. m. on Thursday at the home of Mrs. Luella Gouin.

Youth Fellowship 7:30 p. m. on Thursday.

Engage—Sunday School 10:30 a. m. Worship Service 2:00 p. m. Women's Society meeting 2:00 p. m. on Wednesday at the home of Mrs. Larry Hastings.

Germfash—Sunday school 10:30 a. m. Worship Service 4:00 p. m. Confirmation class 3:30 p. m. on Monday.

Women's Society meeting 2:00 p. m. on Tuesday.

Grand Marais—Sunday School 11:00 a. m. Confirmation Instruction Class 6:30 p. m. Evening service, 7:30 p. m. Youth Fellowship meeting 7:30 p. m. on Monday. Adult Bible Class 7:30 p. m. on Friday.

Trout Lake—Sunday School 10:00 p. m. Evening services 8:00 p. m. on Tuesday.

Communists Put On Push In Laos

HANOI, Indochina (AP)—A Communist spearhead pushing down from the North reached within 60 miles of the royal Laotian capital of Luangprabang today. It ran into stiff French Laotian resistance at Muongngoi in the Laos kingdom's mountain territory.

A French communique said the Communist-led Vietminh was maintaining pressure at Muongngoi but after repeated attacks had failed to smash the defending forces.

The invading column had pushed south from Dienbienphu in the Thai mountain country, 180 miles from Hanoi.

So far the Reds had not attempted to attack in force.

Some French expressed belief that the Vietminh, tired from their swift advance into Laos, were awaiting fresh supplies of rice and war materials before making the next move in their campaign to overrun Laos before the rainy season starts, probably during May.

Briefly Told

Drivers Ticketed—Escanaba police have issued traffic tickets to the following motorists: William E. Cox, 213 South 19th St., disobeys traffic signal; William L. Miller, Paris, Ill., speeding.

Motorist Fined—William Sullivan, 20, of 1306 North 23rd St., today pleaded guilty in Justice Caroline A. Nyström's court to a charge of failure to stop and identify himself after an accident and is arranging to pay fine and costs of \$32.25.

Sullivan's car struck an auto driven by William Garland, 1811 13th Ave. N., last night at Ludington and Tenth Streets, doing slight damage. Today Sullivan reported the accident to police, who said Sullivan's car had also narrowly missed striking a pedestrian. Police said Sullivan told them he was waving to a girl on the sidewalk when the accident happened.

Western Europe Defense Is Short On Reserves

(Continued from Page One)

"That plan envisages the actions that would be taken if the Soviet force should move today," he said, adding:

"That doesn't mean that we necessarily have enough force now to meet this threat successfully. In fact, we think we do not, but you fight with what you have and you do the best you can."

Red Collapse Unlikely

A long-range plan, envisaging what the strategy should be, has been presented to the North Atlantic Council, he said.

"There are strains on the Soviet side, and particularly on the satellite side, but those strains, with the gun in the back keeping people in line, are not enough to give us any reason for believing that the empire is about to collapse in the fashion of the Roman Empire," he said.

Wall Street

By STEVEN V. DAVID
NEW YORK (AP)—Railroads turned stronger today as stocks generally moved up slightly from lows touched in first hour trading on the New York Stock Exchange.

Santa Fe, up 1, St. Louis-San Francisco, up 7/8, New York Central, up 3/4, and Missouri-Kansas-Texas preferred, up 1, paced the rise in the rails, which often lead market rallies.

Steels were stronger. Bethlehem Steel rose 1/2, U. S. Steel 1/2 and Republic 3/8. In the Motors, Chrysler advanced 3/8 after resisting early morning selling pressure. General Motors and Studebaker both were off 3/8.

Advancing stocks included United Airlines, up 1/4 at 28 1/4; American Smelting, up 1/8 at 37; Kennecott, up 1/2 at 66; Homestake, up 1/4 at 53 1/4.

Celanese was off 1 1/4 at 25 1/4. Another big loser was the rarely-traded Superior Oil of California, off 5 at 54 1/2. Texas Pacific Land Trust lost 1 1/4 at 123, but soon regained 1.

Other stocks losing ground included Boeing, off 1/2 at 39 1/2; Radio Corp., off 3/8 at 25 5/8; Anaconda, off 1/2 at 37 3/8; Sunray, off 1/4 at 18 7/8; Southern California Edison, down 3/8 at 35 3/8, and General Electric, off 3/8 at 69 1/4.

No Frozen Ore At Docks Now

Ore is no longer frozen in the railroad cars at the docks, Lee McMillan, dock agent, said this morning. Work is proceeding more easily with this obstacle out of the way.

Ore boats are now loading to their intermediate drafts, McMillan said. Boats will begin loading to summer drafts May 16, he said.

The dock agent said quite a bit of ore from the mammoth 170-car ore train which came in Tuesday night has already been dumped.

Session Of UN Assembly Ends

UNITED NATIONS (AP)—The U. N. General Assembly today voted overwhelmingly for an impartial investigation of Communist charges that American troops waged germ warfare in Korea.

The vote, 5-5 (Soviet Bloc) with four abstentions came immediately after the U. S. accused Russia of "utterly and completely iniquitous" behavior for spreading the charges. The U. S. also called Soviet opposition to the investigation "reprehensible in the extreme."

U. S. Delegate Ernest A. Gross made the gloves-off attack on Russia as the U. N. assembly began the last day of its stormy seventh session.

Chief Soviet delegate Andrei Y. Vishinsky immediately took the floor and counter-charged that U. S. denials of germ war were "reckless denials of fact" and said the kind of investigation wanted was based on "hypocrisy and falsehood."

Nebraska Village Shies At Bare Art

SHELBY, Neb. (AP)—There's too much "art" in the Shelby Village Players' latest production to suit some people.

They think a fig-leaved figure of Apollo and a bare-bosomed Venus in one of the sets could use more clothing.

The fuss was raised as the amateur cast of 30 rehearsed a dramatization of Lloyd C. Douglas's novel "The Robe" scheduled to be given next Monday and Tuesday.

"I don't believe such things have a place in a small town play," said one cast member, a housewife.

Artist Terence R. Duren, who painted the sets, said some people "say frankly they would throw out statues and me with them. . . . It seems to me to be their way of showing contempt for art."

By 1956 it is estimated that more than half of TVA power will come from steam plants.

WINS STRIKE—Pfc. Joseph John Ouradnik, USA, son of Mr. and Mrs. Joe C. Ouradnik of Garden, won his stripe recently. He is with the United States Seventh Army in Germany. A 1948 graduate of Escanaba High School, Pfc. Ouradnik attended Michigan State College of Mining and Technology in Sault Ste. Marie for two terms and then worked in Cleveland, O., for Standard Oil Co., planning to return to college. The army drafted him March 20, 1952. He took his basic training at Fort Bliss, Texas and August 20, 1952 he went overseas.

Dope Smuggling Pilot Arrested

OAKLAND, Calif. (AP)—State narcotics agents have arrested a Transocean Airlines pilot described as a key figure in smuggling dope from the Orient.

Agents said Roy E. MacArthur, 34, was arrested yesterday at an Oakland drive-in as he exchanged five ounces of pure heroin for \$1,200. His customer was State Narcotics Inspector Vincent Chasten, who had arranged to meet MacArthur while posing as "a big-time vice lord."

Chasten said he had previously made three \$250 purchases of heroin from the pilot. He said MacArthur had promised to eventually furnish him enough heroin to retail for more than two million dollars.

Arrested at MacArthur's apartment was Miss Raquel Jatica, 25, a night-club entertainer known professionally as Terry Lee.

Both MacArthur and Miss Jatica were booked for possession of narcotics. He was also booked on four counts of sale of narcotics and she as an addict.

Convention To Rewrite Michigan Constitution Won't Be Non-Partisan

LANSING (AP)—If Michigan has a convention to rewrite its 1908 constitution, there will be no non-partisanship about it, the Senate decided yesterday.

It defeated a move by Senator Harold M. Ryan (D-Detroit) to provide the members of the constitutional convention be elected on a nonpartisan ballot.

Many Sick POWs Still Held Back By Communists

(Continued from Page 1)

full-scale armistice negotiations resume Saturday.

Some wounds were fresh and still unhealed—Marines from the battle of the Panmunjom outposts earlier this month and Colombians caught in the Red onslaught over Old Baldy a few days before.

The first eight patients were chalky-faced, some obviously in pain.

They were rushed to doctors for first aid and later to hospitals for full medical care.

No Foolin'

One uncertain Marine tugged at the arm of an American lieutenant as his litter was passed from a Red ambulance.

"No foolin', lieutenant, is this really change-change?"

"No foolin'," answered the officer.

One happy Colombian climbed through a back window of a Communist ambulance without waiting for the door to be opened.

The 14 Americans brought the total of U. S. troops returned to 79. The 40 promised for Friday would make a total of 119, just one short of the 120 promised originally by the Reds. However, the new Red move could raise that figure.

In four days of exchange, the Communists have returned 400 Allied troops—the majority South Korean—and the U. N. has returned 2,000 Communists, including all 700 Chinese scheduled to go home.

It is estimated that average disposable personal income for each person in the United States was \$782 in 1951, measured in dollars of the 1935-39 value, compared with \$553 in 1929 and \$389 in 1933.

The chamber faces a vote this afternoon on a house-approved bill which would submit to the people the question of calling such a convention.

Ryan said the provision that each senatorial district elect three delegates to the constitutional convention would produce "What amounts to a Republican convention" with 72 Republicans and 24 Democrats.

The drafting of a new constitution, Ryan argued, "is too important to be handled on a partisan basis."

Senator Creighton R. Coleman (R-Battle Creek) charged that Ryan was attempting to nullify the decision of the voters last fall in approving reapportionment Proposal No. 3 on the ballot. He said the voters well understood they were also setting the pattern for any future constitutional convention.

Warning Given Against Cuts In Atomic Spending

(Continued from Page One)

ing administration reductions but will fight against any further cuts by Congress, and he added:

"This will be an honest budget and Congress should accept it, instead of making automatic cuts."

Price and Cole agreed that Russia is making rapid progress in atomic development.

"We know that Russia has atomic bombs in numbers," Cole said. "And the Russians are making sizable progress—so much so that we should do everything to avoid letting them use their bombs."

Price said in his speech that the committee had received abundant top-secret evidence of an increased tempo in Russia's atomic program.

Mad Fox Bites

ALBANY (AP)—Earl Teed took no chances when a fox bit him.

Teed, 54, shot the fox, loaded the carcass into his car and drove about 110 miles from his home in Trout Creek to the state health department's laboratory here. Tests showed the animal was rabid.

Teed is taking serum treatment.

Ionia Alerted For Meningitis

IONIA (AP)—Parents have been alerted to be on the lookout for any symptoms of meningitis following the deaths of two Ionia children from the disease in a 48-hour period.

Doctors in this area conferred on the matter here yesterday. They said later there was no cause for alarm. But they cautioned parents to watch for such symptoms as head colds, soreness of nasal and ear passages and stiffness of the neck. They also suggested an immediate checkup in the event of a rash.

All except emergency operations on children have been postponed at Ionia Memorial Hospital because of the two fatal cases.

Victims of the disease were nine-year-old Sandra Sue Showers and three-year-old Michael Ray Carigan. Sandra died Sunday, Michael Tuesday, both in Grand Rapids hospitals. Their families live on opposite sides of the city.

Real Trouble Within Soviet Union Forecast By Mrs. Roosevelt

SAN FRANCISCO (AP)—Mrs. Franklin D. Roosevelt yesterday expressed a belief "there is real trouble within the Soviet Union."

"I believe there is great confusion within the Soviet," she told a news conference sponsored by the American Association for the United Nations.

"They have no top hand at the helm, as they had before. We should, however, be as wise as possible and not go to sleep, but watch every indication and weigh every statement from Soviet representatives in order to determine if we can what is behind their policy."

CORONATION OATH IN MINIATURE

HONG KONG (AP)—On a pease-sized piece of ivory, a Chinese craftsman has carved a complete text in Chinese of the oath Britain's Queen Elizabeth will take at her coronation in June.

The artist, Wong Lo-feng, known as the "Divine Eye of South China," has spent more than 20 years in miniature art work. His new work, contained in a glass case and ornamented on a miniature crown, will be sent as a gift to the queen.

Give Seagram's and be Sure... of Sincere Thanks!

On some special day—when you give a bottle of Seagram's 7 Crown to a friend... or invite him to enjoy the finest at your favorite tavern... the warm, friendly thanks you receive makes you feel warm yourself.

Thanks for introducing me to 7 Crown on my birthday. Only wish I'd met it years ago.

Thanks to one of my favorite friends for giving me my favorite whiskey on my anniversary.

Thanks for the coming-home gift of 7 Crown. We're great to come back to a friend like you.

Seagram's 7 Crown. Blended Whiskey. 86.8 Proof. 65% Grain Neutral Spirits. Seagram-Distillers Corp., N. Y.

Living Costs Edge Upward Fractionally

WASHINGTON (AP)—The government reported that living costs edged up fractionally between mid-February and mid-March. This reversed a three-month downward trend.

The Bureau of Labor Statistics said its Consumers Price Index rose two-tenths of one per cent over the month. This brought the index to 113.6.

The index uses average prices of 1947-49 as a base of 100.

The living cost level is presently only about one-half of one per cent off the record establishment last

November when the index was 114.3.

Actually living costs have remained stable and changed very little since last fall.

Moreover, the bureau reported today that removal of government price and wage controls has had "little effect on retail prices into April."

Summing up the price situation, the bureau said:

"There were sizable increases after controls were ended in the retail prices of cigarettes, coffee, gasoline and fuel oil, but no other important cost of living items were affected at that time. The groups which are predominantly service groups have continued to edge upward, but food, apparel and house furnishings are generally lower than a year ago."

Food prices rose two-tenths of one per cent, led by increases in prices of eggs, coffee and shortening. Food prices averaged a bit higher in 28 of 46 cities surveyed.

Living costs in mid-March were 1.1 per cent higher than a year ago.

Commenting on the current situation, the bureau said that offsetting forces are keeping price changes to relatively small fluctuations up and down.

Water Tank, Pump House New Project At Pinecrest, Powers

POWERS-SPALDING—According to John Fazer Jr., engineer at Pinecrest Sanatorium, two machines for breaking ground for overhead water tank and pump house, have just arrived. They are a bulldozer and a ditch digger. The abutments for the water tank are to be put in by the sanatorium and the erection of the water tank is to be done by Pittsburgh Des Moines Steel Company.

The pressure tank is a precautionary measure to supply water in case of fire and to maintain water pressure when electric power fails.

The new machines are also to be used for the clearing of the grounds which means removing trees and stumps for the proposed site of the doctor's home.

Worry of FALSE TEETH

Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little **PASTETITE** on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, goopy, pasty taste or feeling. It's alkaline (non-acid). Get **PASTETITE** at any drug store.

Red Snoopers Come To Detroit In Fall

DETROIT (AP)—The House Un-American Activities Committee will come to Detroit, probably in September, to investigate Communists in labor and education, Rep. Clardy was quoted as saying in a Washington dispatch.

The Detroit News quoted Clardy as saying that the full committee would conduct the sessions. Sessions here last year were conducted by a subcommittee.

Clardy, a Republican member of the committee, said the committee was "after individuals," not necessarily particular schools, according to the dispatch. He also was quoted as saying the committee was interested in Communist

Chatham

CHATHAM—Harold Kallio has returned to his studies at Augsburg College after a vacation at the home of his parents, Mr. and Mrs. Toivo Kallio.

Edith Salmi spent the weekend at the home of her uncle, Carl Hendrickson, Negaunee.

Mr. and Mrs. Victor Swanson of Marquette and Sister Arlene Ingelbreton of Omaha, Nebr., were guests at the George Lelvis home Sunday.

Mr. and Mrs. Roy Heldmann who spent the winter in Arizona

infiltration of industry as distinguished from investigating specific elements of organized labor.

now are touring California. They expect to return to Chatham in June.

Finnish services will be conducted at the Evangelical Church in Eben Sunday, April 26, at 2 p. m. A congregational meeting will follow the service.

A Brotherhood meeting was held at the Edward Luoma home Tuesday evening. Raymond Sandstrom left Sunday on his return to Kenya, Alaska, where he is employed. Mrs. Sandstrom and daughters will remain here for the summer.

Norman Lakso arrived Sunday on a one week convalescent leave from Camp Pickett, Va.

Pickpocket Leaves Advice With Police

BALTIMORE (AP)—Roevaughn Woolridge, self-styled "greatest pickpocket in the East," showed his talent in police headquarters yesterday.

The young Negro lifted the elevator operator's pocket of a billfold and replaced it during the short ride up to detective headquarters.

Police arrested him in a bus station after he was seen loitering and boasting about his deft touch. He was charged with being a common thief and pickpocket.

The judge ordered him to leave town. Woolridge gave this parting bit of advice to jail guards: If you

get a big roll in your pocket, mix in some peanut shells with the dough. That, he explained, makes it impossible for pickpockets to ply their trade silently.

Juror Is Frank

DALLAS, Tex. (AP)—A prospective juror brightened proceedings during a murder trial yesterday when a defense lawyer asked him if he knew Dist. Atty. Henry Wade.

"Slightly," the venireman replied. "He spoke at my church once, telling people they ought to serve on juries."

"Was he ever invited back to speak?" the attorney asked. "No," replied the prospective juror.

Pennsylvania Links Invite Eisenhower

HARRISBURG, Pa. (AP)—A Pennsylvania state representative has chided President Eisenhower for not giving local country clubs the honor of saying "Ike smot a 3 under par here."

Rep. Jules Filo, Allegheny County Democrat, introduced a resolution in the House yesterday extending "a hearty invitation to President Eisenhower to continue his pursuit of this honorable game in the state of Pennsylvania."

The President, Filo said, is passing up some of the "most beautiful golf courses in the world" when he neglects Pennsylvania links for Augusta, Ga.

Powers-Spalding Seniors Complete Plans For Trip

POWERS-SPALDING—Twenty-one members of the senior class of Powers-Spalding High School will leave on their class trip early Saturday morning May 9. Travel will be made on a chartered Greyhound bus.

The itinerary for the trip will include a short stop in Chicago Saturday. Sunday morning they plan to stop for church in Pittsburgh. Continuing they plan to arrive in Washington, D. C. Sunday evening. They will spend two and a half days visiting the nation's capital. From Washington the class will stop for a few hours in Philadelphia. New York City will be the next stop, with time and money governing the length of the stay. On the final leg of the journey the students will get a glimpse of Buffalo, New York and Niagara Falls. A short jog through a part of Canada and into Lower Michigan, across the Straits and back home will complete the journey.

It was only through a great deal of hard work and cooperation on the part of the students and the generosity and support of the people in the community that this trip was made possible. The students put on a series of candy sales at school, bake sales at local stores, a dinner, a carnival, school play, and the publication of a school annual swelled the class treasury. The senior boys are now engaged in a clean up campaign in the village of Powers for which they will be paid. Two citizens have pledged generous donations, and finally, the students themselves will bear a part of the expense.

Plans for sightseeing are now being made by the class so that the time spent will be worthwhile.

The group will be chaperoned by Jerry Anzalone, senior class adviser, and Mrs. Anzalone.

Prisoner Exchange Brightens Seventh Michigan Household

MIDLAND (P)—Ignace Klokiz interrupted a pump repair job in his farm north of here, hugged and kissed his wife but said nothing—too choked to talk.

Over at Mt. Pleasant his son, John Martin Klokiz, tossed the dishes he was drying into the air and didn't even try to catch them coming down.

At Bay City Klokiz's daughter, Mrs. Angeline Berge, virtually busted up a bowling banquet with her shouts of joy.

That's what happened when the word was flashed last night that another of Klokiz's sons, Pfc. Paul A. Klokiz, had been freed by the Communists in the Korean prisoner of war exchange.

Great Weight Lifted

The Klokiz household was the seventh in Michigan to be brightened by the heart-warming news that a son was returning from the near-dead.

"It's a great weight off my mind," said the 58-year-old Klokiz, who divides his time between a firewatcher job at the Dow Chemical Co., plant here and running his 80-acre farm.

Klokiz, whose first wife is dead, and his second wife had been listening to the radio every night hoping to hear Paul's name on the list of sick and wounded prisoners released by the Reds. Every night until last night that is.

A neighbor who did hear the news called Mrs. Klokiz, who ran outside to relay it to Paul's father.

Too Happy To Talk

"Dad was too happy to cry or

talk," said Mrs. Berge, who along with her sister, Mrs. Gertrude Wenglekowski, hustled to the farm to be with their father.

Brother John had the radio on in his apartment at Central Michigan College and heard Paul's name.

"I just threw the dishes I was holding into the air, grabbed the phone and called Dad and then drove the 25 miles to Midland in nothing flat," said John.

Mrs. Berge was equally untroubled.

"I broke out in tears and yells of joy at the same time," she reported. "As far as I was concerned that banquet was over and I think I just about broke it up with my joyful shouts."

Letter Gets Lost

The last the family had heard from Paul was a letter received in January. He had written an earlier one telling about his wounds but that one never arrived. The second letter mentioned the wounds only incidentally. He said he hoped "to be up and around in a month." He also said he had received good care from Chinese doctors in the Red prison camp.

Paul, a basketball player at Midland High School and Central Michigan, was inducted into the Army Sept. 6, 1951, when he had only one semester left at Central. He has been in Korea since June, 1952.

Brother John has been a star guard on Central Michigan's football team.

Starvation Claims California Condor

SAN DIEGO, Calif. (P)—The last of North America's greatest birds, the California condor, were reported today by a naturalist as dying out from starvation.

Lewis Wayne Waker declared their only hope of survival was in captivity or by artificial feeding in their 35,000-acre preserve in the Coast Range Mountains north of Los Angeles.

He said he had counted only 12 of the great birds, with wing spreads of 10 to 11 feet, during three months of efforts to trap a pair for the San Diego Zoo. This was a sharp decline from the 34 counted in the preserve during an artificial feeding period of observation in 1934, he said.

Condors, despite their great size, do not kill and in natural state must depend for food upon carrion left by animals of prey or hunters.

Casualties In Korea

WASHINGTON (P)—The Defense Department today identified 119 Korean War casualties in a new list (No. 796) that included 27 dead, 7 wounded, 6 missing, 4 captured and 4 injured.

Swedish Boat Rams Hole In U. S. Warship

LONG BEACH, Calif. (P)—The U. S. destroyer Kidd and the Swedish freighter Hainan collided off the harbor entrance last night, but there were no injuries to crewmen aboard either ship.

A Navy spokesman said the freighter's bow tore a 10-foot hole in the Kidd's starboard side just forward of the superstructure. The Hainan's bow was dented.

Publishers Disprove Democratic Charge Of One-Party Press

NEW YORK (AP)—The president of the American Newspaper Publishers' Association struck back today at charges stemming from the presidential campaign that the United States has a "one-party press."

Charles F. McCall, publisher of the Cleveland News, replied in an address delivered at the ANPA convention to criticism of the press by some followers of Adlai E. Stevenson, the Democratic candidate.

Attack Dissipated

Stevenson, in a speech at Portland, Ore., last September, expressed concern that the nation was developing a one-party press. He added, however, that he had been "impressed by the fair treatment accorded to one by most newspapers, including those aligned editorially with the opposition."

McCall said today that he thinks, with the months gone by, "it can be said confidently that the political attack on the 'one-party press' has been effectively dissipated."

"We were by no means 'one party,'" he said. "If the majority were for the successful presidential candidate, it cannot be denied that the opposition had powerful and able representation."

He said it would be a sad day if fear of anything prevented a single newspaper from declaring their honesty.

Schaffer

Movies Shown

SCHAFER — Two movies "Forest and People" and "Headline Fire" were shown to the children of the Schaffer School Monday, April 20, by the Conservation Department.

Briefs

Local teachers, S. W. McInnis, Mrs. Leo Brunelle, Mrs. Tom Tounignant and Mrs. Agatha Bureau attended the Teachers Institute in Gladstone Tuesday.

Mr. and Mrs. William Zawada and children, and Mr. and Mrs. Bill Pyrek of Chicago and Mr. and Mrs. John Zawada of Ishpeming attended the rehearsal of the Leo Zawada Saturday, April 18.

Mr. and Mrs. Romeo Herioux of Chicago visited with the Clarence Martin family this weekend.

Mr. and Mrs. Wallace Anderson and children, Wally and Janet, of Dearborn visited friends here over the weekend, and also with relatives in Danforth.

The Dunward Chase family moved Sunday from the Anderson farm to the former John Harris farm which they recently purchased.

Mrs. Homer Seymour Jr., Mrs. Richard Potvin, Mrs. Louis Tounignant and daughter, Shirley, and Joyce Taylor made a trip to Green Bay Tuesday.

Mr. and Mrs. Pat Milligan Jr. and son of Foster City visited with the Louis Sabourin over the weekend.

Mrs. Carl Johnson of Escanaba, Mrs. George Pilon and Mr. and Mrs. Elmer Potvin accompanied Joseph Potvin to DePere, Wis. Tuesday to attend the funeral services of their uncle, Charles Potvin. Funeral services were held Wednesday.

Seventh grade: Janet Anderson, ABBB; Nancy Coppick, ABBB; Janet Johnson, ABBB; Mary Johnson, AAAA; Deanna Lundquist, AAAB; Michael Murchie, ABBB; Karen Olson, AAAB; Marjorie Olson, AAAA; Allen Shananaquet, BBBB; Carol Thorsen, AAB.

Eighth Grade: James Casimir, AAAB; Helen Christoff, AAB; Gail Columb, AAB; Elinore Hanson, AAB; Stephen Johnson, AAB; Sharon Lancour, ABB; Arlene Lindquist, ABB; Joanne Lundberg, AAAA; Cecile Storch, AAB; Oliver Turan, AAB; Eugene Wicklund, AAA.

Freshmen: Helen Granskog, AAAA; Barbara Hamilton, ABB; Virgilene Johnson, AAB; Jerry Lancour, ABB; Larry Paul, AAAA; Dawn Ranguette, AAAB; Milton Soderberg, AAAA; Patsy VanMill, AAB; Nancy Wickham, AAB.

Sophomores: Raymond John-

son BBBB; Clara Larsen, AAAB; Eileen Lockhart, BBBB; Phyllis Quick, ABBB; Rita Ross, ABBB; Alice Whybrew, AAAB.

Juniors: Wesley Anderson, BBBB; Vera Holmlund, AAB; Charlotte Huff, ABBB; Mary Lee Lind, AAAB; Betty Lockhart, BBBB; Willard Mattson, AAAAB; Gail Rushford, AAAA; Betty Thorsen, BBBB; William Williamson, AAB.

Seniors: Jean Boyer, AAAA; Lorraine Karasti, AAB; Dolores Lind, AAAB; Ruth Murchie, ABBB; Claire Schafer, AAAA; Lulubelle Shananaquet, ABB; Ann Thomas, AAB; Pat Wils, BBBB; Fary Wolf, AAAB.

Taxes Hit Sailors

NORFOLK, Va. (AP)—The officers and men of the Navy attack transport Deuel paid enough income taxes in 1952 to cover the ship's operating allotment for 12 months, her commanding officer says.

Withholding taxes aboard the ship amounted to \$63,500, says Capt. F. R. Putman in an article in the April issue of the Navy Conservationist. He estimates the annual allotment for operations of the Deuel—exclusive of pay, fuel, water rations and other items—at \$36,000.

Governor Sues For His \$9,000

LANSING (AP)—Senate Republicans are studying the justice of a state decision refusing Gov. Williams a refund of the money he posted for last winter's governorship recount.

Refused a refund of \$9,000 for his part of the recount bond, Williams has filed suit in the State Supreme Court against Secretary of State Owen J. Cleary to get back the money. Cleary has withheld the refund on advice of Attorney General Frank G. Mallard.

Senator Creighton B. Coleman (R-Battle Creek) said the closed GOP caucus set up a committee to "see whether we should do anything about the money Williams put up."

The committee is composed of Senators William A. Ellsworth of Sault Ste. Marie, Clyde H. Geerlings of Holland, James M. Teahen of Owosso, Frank Andrews of Hillman and Frank D. Beadle of St. Clair, all Republicans.

State law requires a candidate seeking a refund to post \$5 per precinct. If he upsets the result or proves fraud he gets his money back.

In Williams' case, Mallard ruled that since the governor did not change the result of the November election, he was not entitled to refund. Williams filed for a recount in those precincts not covered in the recount petition of his defeated opponent, Fred M. Alger Jr.

Isabella

ISABELLA—Mrs. George Mayo visited Mrs. Joe Hynes in Garden over the weekend.

Mr. and Mrs. Albert Watchorn, Dale Watchorn and Mrs. Jacob Landis Jr., visited Mr. Landis, who is a patient at the Veterans Hospital in Iron Mountain.

Mr. and Mrs. Albert Watchorn, Mr. and Mrs. William Vinette, Henry Turan, Vernon Peterson, Mr. and Mrs. Gust Moberg, Henry Landis, Roy Wester, Albert Pilon, Raymond Nedeau and Mr. and Mrs. Ted Sundin attended a meeting of the Rapid River Coop Creamery at Rapid River Saturday. A supper was served members after the annual business session.

Mrs. Raymond Nedeau and Mrs. Harvey Sundin have returned from a visit with Mrs. Rita Meynard at Garden.

John Moberg and William Eslick of Detroit visited relatives here during the weekend. Mrs. Moberg accompanied her husband on his return to Lower Michigan.

Mrs. Mary Bourgeois was taken by ambulance to Schoolcraft Memorial Hospital in Manistique for treatment. Mr. and Mrs. Pat Bourgeois and Clifford Bourgeois were called home from Detroit because of her illness.

Pete Forslund and Alfred and John Erickson have returned to work for the Denison Construction Co.

Weather Cancels Out Sloop Trip To Azores

LEWES, Del. (AP)—Cold, wet work has dampened a University of Maryland student's desire to sail to the Azores in a 21-foot sloop. CWO Francis A. Massey, commanding officer of the Lewes Coast Guard Station, said Paul M. Anderson, 24, sent him a card yesterday from Gwynn Ballard, Hudgins, Va.

The card read: "Given up Azores voyage, only wet cold work, met a gale from the north."

Anderson, who lives with his mother, Mrs. Ester Anderson, in Baltimore, left here April 2.

Tribunal Recesses

UNITED NATIONS, N. Y. (AP)—The U. N. Administrative Tribunal has recessed until mid-July its hearings on appeals by 20 Americans fired by former Secretary General Trygve Lie for alleged Communist links. Officials said it would take members that long to study lawyers' briefs on the cases.

Back Eisenhower, Weed Out Snipers, Gov. Williams Urges

HARRISBURG, Pa. (AP)—Gov. G. Mennen Williams of Michigan, a Democrat, called for bipartisan support for President Eisenhower against what he said were the undermining efforts of a "disloyal opposition" of GOP congressmen.

At the Pennsylvania Jefferson-Jackson Day dinner here, Williams accused a bloc of Republican congressmen with "trying to usurp the leadership vested in the President by the voters."

"The great crusade for which the people voted last November somehow has not got rolling," he said.

Food Price Index Takes Slight Drop

LANSING (AP)—The food price index in 10 outside Michigan cities declined 2.2 per cent from December to March, the State Labor Department said today.

March 1953 prices in the 10 cities were 1.3 per cent lower than a year ago.

A substantial decline in the prices of fats and oils, eggs, beverages, cereals and bakery products.

The March food index was 211.6 compared to the base of 110 in September of 1941. The index in December was 216.4.

Kalamazoo and Lansing showed the largest decline, of 3-1 per cent, from December to March. Muskegon showed the smallest change in the three month period, of 1.4 per cent.

The decline in other cities: Battle Creek, 1.8 per cent; Flint, 2.3 per cent; Marquette, 1.9; Pontiac, 2.5; Grand Rapids, 1.9; Saginaw-Bay City, 1.8.

Call For Censure

OTTAWA (AP)—The opposition Progressive Conservative party has asked the House of Commons to censure Canada's Liberal government for not consulting Parliament before it ordered Canadian ships to stay away from Red China and North Korea.

The opposition says it agreed with the ban but thought the legislature should have approved it first.

Actress In Convent

XAVIER, Kan. (AP)—Francis Cardinal Spellman greeted former actress June Haver yesterday on her first public appearance since she left the glamor of Hollywood to enter a convent last February.

The cardinal spoke at St. Mary College here. The convent, conducted by the sisters of Charity, and the college are on the same grounds.

Rector Attending Two Conferences On Church Work

The Very Rev. Joseph S. Dickson, rector of St. Stephen's Episcopal church, is attending the Provincial Town and Country Conference in Bedford, Ind., this week.

Mr. Dickson is a member of the board and diocesan Town and Country secretary. He also will represent the Episcopal Diocese of Northern Michigan at the Ecumenical Movement Conference to be held in Chicago Monday to make preparations for the world-wide meeting in Evanston next year.

The Rev. James G. Ward, rector emeritus, will conduct the 10:45 a. m. service at St. Stephen's Sunday. There will be no 8 a. m. Holy Communion service.

Personals

Mr. and Mrs. Lyle J. Utt and three children of Valley City, N. D., are spending the weekend at the John J. McCarthy home, 322 1st Ave. S. Mrs. Utt is a daughter of Mr. and Mrs. McCarthy.

Mrs. Robert LeMire, 620 5th Ave. S., and Mrs. J. C. Gunderson, 601 S. 8th St., left today for Green Bay where they will spend the day.

Miss Myra Kenny returned today to Chicago after visiting at the homes of Mr. and Mrs. Lester Kenny, 1118 2nd Ave. S., and Mr. and Mrs. Andrew Gagan, 1110 1st Ave. S.

Mrs. H. J. Sloan, 305 N. 10th St., left today for Milwaukee where she will visit with her husband, who is a patient at the Veterans Hospital.

Mrs. Alex Quienaballe and son, Dennis, and Mrs. Joseph Swill of 115 N. 20th St., are spending the day in Marinette.

Mrs. Adolph Johnson and daughter, Mary Louise, of 1915 10th Ave. S., left today for Columbus, Ga. where they will visit with Mrs. Johnson's brother, G. W. Horney, and his family.

Mr. and Mrs. James Flinn, Rapid River left today for Milwaukee where they will attend a medical clinic.

Mrs. Howard Peterson, 227 N. 16th St., today left for Ames, Ia. where she will visit with her son, Howard Peterson Jr., and his family.

Mr. and Mrs. Maurice Tonkin, 908 S. 14th St., and Mr. and Mrs. Louis Nolden, 1310 8th Ave. S., spent yesterday visiting friends in Marinette.

Mr. and Mrs. John Birkenmeier, 1008 9th Ave. S., returned last night from Rochester, Minn., where Mr. Birkenmeier received a check-up at the Mayo Clinic.

Mr. and Mrs. A. J. Geartts, 307 Ogden Ave., have returned from a trip to Chicago.

The Rev. Karl J. Hammar, pastor of Central Methodist Church, returned yesterday from the Centennial of the Central Northwest Conference division of the Methodist Church. The Centennial was held at the Bethany Home in Chicago.

Church Events

Junior Legion Meeting
The Junior Legion of the Salvation Army will meet Friday at 4:15 p. m., at the hall with Mrs. Collins and Bonnie Polmateer in charge.

More people get more news from newspapers than from all other sources combined.

THE FORMER Shirley M. Billings, daughter of Mr. and Mrs. Homer Billings of Bark River, Mich., became the bride of Sergeant Edward J. Wendricks, a son of John Wendricks of Daggett in a ceremony at Sacred Heart Church in Schaffer. Flint will be the home of the newlyweds. (Portrait by Millie)

Cornell 4-H Clubs Organized For Summer Projects

CORNELL — Cornell 4-H Clubs were organized for the summer months, officers named and projects selected, at meetings held Monday evening at the Cornell Town Hall.

Everett Miron was elected president of the Senior Girls 4-H club. Janice McFadden is vice president, Juanita Carlson, secretary, Yvonne Gamache, treasurer, Nancy Way, son leader and Ethel Olson lunch chairman, assisted by Connie Blixt. Twenty-two girls enrolled in the summer projects, including food preparation, canning, frozen foods, commercial gardening, gardening, flower gardening, photography and junior leadership. The next meeting will be May 4.

David Woodard was elected president of the Boys 4-H Club. John Knaus is vice president, Ronnie Sanville, secretary, and Leslie Shire, treasurer. Sixteen boys enrolled in dairy, potato club, gardening, forestry and conservation. George McFadden, will be the leader. The boys will play baseball for recreation.

Birthday Party
CORNELL — Mrs. George McFadden was guest of honor at a birthday party Sunday afternoon at the home of her daughter-in-law Mrs. Ted McFadden. A blue, yellow and white birthday cake centered the table for the party lunch. Guests were Mrs. Fred Thorbjornsen, Mrs. Gus McFadden and Mrs. Raymond Barron of Groos, Mrs. Anna Harrod of Escanaba and the Mesdames Morton and Howard Shire, Henry Warren and Ralph Rose, Orville Wolf, Robert Thompson, Tom Anderson, Pete Shire, Fulgan Falkies, Gilbert Taylor, and Harold Woodard. Mrs. McFadden was presented with gifts.

Investment Securities Topic Of Third Session Of Forum

A sound and straightforward overall picture of investment securities was given by Frank E. Parker, account executive of the Milwaukee Office of Merrill Lynch, Pierce, Fenner and Beane, New York City, at yesterday's meetings of the Women's Finance Forum, third in a series of four sessions.

The afternoon and evening classes of the Forum, sponsored by the State Bank of Escanaba, were held at the usual hours, 2:30 and 7:30 with a capacity attendance of interested and attentive women at both.

Film Preceding Talk
Mr. Parker's talk was preceded by a film, "Opportunity U. S. A.," released by the American Bankers Association, which presented the

Perkins

Church Services
PERKINS — Sunday School and Confirmation instruction will be held at 10 a. m. Sunday, April 26, at the Bethany Lutheran Church at Perkins. Worship services will begin at 10:45 a. m. with Don Olson conducting the services.

Luther League Party
The Luther League of Perkins held their annual smelting party Friday, April 17, at the Days River. They invited the Gladstone Luther League and the senior Confirmation class of Perkins as their guests of the evening. A weiner roast was held after the smelting. Rev. Clifford Peterson and Donald Olson accompanied the group on their outing.

Brief
Mrs. Harvey Clausen is visiting relatives and friends in Lower Michigan for several weeks.

Bark River-Harris Lists Honor Pupils

BARK RIVER-HARRIS — Bark River-Harris Junior High School is announcing the honor roll for the six weeks period. Honor students are:

Grade 7—James Bugay, Phyllis Dault, Arthur Good, Marie Halonen, Jack Kasbohm, Joann Urbanc, Deanna LaVigne, Janet Lesneski, Joseph Wilchek

Grade 8—Antonette Bugay, Anthony Charboneau, Gordon Gaten, Betty Johnson, Alice Kiernan, Mary Jane Kleikamp, Lorraine Kleiman, Marilyn Kleiman, Barbara Meyers, Joanne Richer, Carol Schermer, Judy Simmons, Louis Sundquist, Elaine Tousignant, Gary VanEnkevort, Frances Zawada

basic processes of progress which make investment securities possible and available.

Opening his talk with a simple explanation of investment securities, bonds and stocks, preferred and common, Mr. Parker followed closely the outline of the Forum booklet, elaborating on topics where necessary. He told why people buy securities, explained when securities should be purchased and described in detail the importance of the price of a security, what securities are suitable for various investment aims and how to buy or sell securities.

In closing he gave a brief survey of the present outlook for the security markets repeating the sound advice that "investments which give the greatest return often entail the greatest risk."

The question and answer period which followed was particularly interesting, Mr. Parker giving expert advice on individual problems.

Mixed Forum April 29
The speaker was introduced by Harry Gruber, who announced again that registration cards for men are available for the mixed Forum Wednesday, April 29, at which William B. Minehan, secretary of the Northwestern Mutual Life Insurance Co. of Milwaukee will speak on "Planning for the Future."

Assisting during yesterday's coffee hours were Mrs. Nelson Jensen, Mrs. Carl R. Wickman, Mrs. Catherine Cook, Mrs. Harry Gruber, Miss Margaret Hintz, Miss Carol Pilon and Miss Ethel R. Gilmore.

Births

Mr. and Mrs. Fred J. Costell, Bark River, Mich., are the parents of a daughter, Mary Angela, born April 22 at St. Francis Hospital. The baby weighed 5 pounds and 6 ounces.

Laurie Jean is the name of the baby girl born at St. Francis Hospital April 22 to Mr. and Mrs. Alfred J. LaCrosse, 1323 Sheridan Road. Laurie Jean's weight at birth was 6 pounds and 1 ounce.

Mr. and Mrs. Francis L. Smith of Wilson are the parents of a daughter born at St. Francis Hospital April 21. The baby who weighed 7 pounds and 2 ounces will be christened Carol Lorraine.

Mr. and Mrs. Alvin J. Jackovich, 631 N. 14th St., Gladstone, are the parents of a son who weighed 7 pounds and 3 ounces on arrival April 21 at St. Francis Hospital. The baby's name is Richard Allen.

BRIDE IN JUNE — Mrs. John Kangas of Hermansville announces the engagement of her daughter, Kerttu, to Lauri E. Kivimaki. Kerttu is a graduate of Elmira College, Elmira, N. Y., and the Ellis Hospital School of Medical Technology, Schenectady, N. Y. She has been employed as bacteriologist at the Michigan Department of Health Branch Laboratory at Powers. Mr. Kivimaki, son of Mrs. Axel Pelttonen, Amasa, Mich., is a graduate of the Michigan College of Mining

Social-Club

Gay Bees Meeting
The Gay Bees Home Extension Club met at the home of Mrs. David Moore, 404 Wisconsin Ave., Gladstone to discuss projects for the coming year and vote on a program. The evening was spent sewing and lunch was served by the hostess. The next meeting will be held at the home of Mrs. Richard Meissner, Escanaba Rte. 1.

St. Stephen's Auxiliary
A meeting of the Women's Auxiliary of St. Stephen's Episcopal Church will be held Friday at 2:30 p. m. at the home of Mrs. C. E. Johnson, 517 Ogden Ave.

Our circulation is audited by experienced A.B.C. circulation auditors. Our A.B.C. report shows how much circulation we have, where it goes, how obtained and other facts that tell advertisers what they get for their money when they use this paper.

Missionary To Describe Work

The Rev. Wesley M. Smith, missionary of the Methodist church in China, will be guest speaker at the Memorial Methodist church at 2:30 Thursday afternoon, April 30. He also will speak at Escanaba the preceding day.

Mr. Smith has been a missionary since 1910, most of this time in Changshu in East China. He and his wife were the last Methodist missionaries to leave the East China conference, arriving in Hong King in July, 1951.

With a minimum of foreign influence and money, Mr. Smith has given his career to preaching and working for the establishment of a Christian church in China. His efforts were toward evangelism, ministerial training, Christian education and union summer conferences. For a period of nearly four years he worked under the Japanese, carrying on salvage and relief work.

A native of Marshall, Mo., Mr. Smith received his Bachelor of Arts degree from Missouri Valley College and his Bachelor of Divinity degree from Vanderbilt U. He has done graduate work at Vanderbilt, the University of Chicago and Garrett Biblical Institute. He has authored articles appearing in the Methodist Quarterly Review and has lectured on missions at Vanderbilt.

The missionary began his work at the Anglo-Chinese College in Shanghai and in 1911 was named head of the Bible department of Soochow University. He later held pastoral charges in Hong Kong, Soochow Hospital and Changchow, did pioneer work on the Changshu circuit of the Soochow district and built up a fine Christian group and a good school at South Gate, Changshu.

WILL BE BRIDE—Mr. and Mrs. Howard Roberts of Sault Ste. Marie announce the engagement of their daughter, Dorothy, to Lawrence Esler, son of Eugene Esler and the late Mrs. Esler of Gladstone. A summer wedding is planned. (Portrait by Millie)

Avoids Head-On Crash, Hits Rail

Forced off the road in order to avoid a head-on collision with an oncoming car, Mrs. Mary Tackman, 40, Kipling, lost control of her auto and struck a guard rail on Highway US 2-41 just south of County Road 517 Monday.

Damage to her auto was estimated at \$50.

Mrs. Tackman told Michigan State Police who investigated that several autos were approaching her at the point and that one of them attempted to pass the others forcing her to turn out to avoid a head-on crash. On the shoulder of the road the auto skidded and hit the guard rail. The road was icy at the time.

Band Plays In U. P. Festival

Gladstone high school's band will travel to Menominee Saturday to participate in the annual Upper Peninsula Band Festival. Bands from 11 high schools in Upper Michigan are expected to participate.

The musicians will make the trip by Greyhound bus and it will leave here at 7 Saturday morning. Band members will gather at the high school for the departure.

Numbers which the Gladstone band will play are "His Honor" by Fillmore, "Orlando Palandrino" by Haydn and "Pavanne" by Gould.

Eleven members have been selected to play in the massed band in the concert Saturday evening.

They are, namely: Jerry Norick, Dave Nelson, Janice Hoffmann, Helen Oathout, Margo Murphy, Louise Klug, Mary J. Bolber, Mary Alice Cameron, J. J. Jandro, Joyce Stowe and Lois Mattson.

The first number of the massed band program, "Hands Across the Sea" will be directed by Paul Cowen, music supervisor in the public schools.

Band Boosters To Sponsor Bake Sale

The Band Boosters Club is sponsoring a sale of baked goods Saturday at the Siebert hardware to raise funds for instruments for the high school band.

Baked goods, beans, candy and contributions will be welcomed from both members and non-members alike.

In charge is a committee composed of Mrs. John Lash, Mrs. Elihu Rasmussen, Mrs. Theophil Hoffmann and Robert Trygg. Selling starts at 9:30 in the morning.

City Briefs

Mrs. Anna Vargo, Gladstone Rte. 1, was admitted to St. Francis Hospital in Escanaba Tuesday night for treatment.

Gust Anderson has arrived from Olympia, Wash., to visit indefinitely with his son-in-law and daughter, Mr. and Mrs. Herb Holmberg.

Mr. and Mrs. Arthur Nichols have returned from San Jose, Calif., where they spent the past six months and are reopening their tourist cabins, the Glenview, on Lake Shore Drive, for the summer months.

Mrs. Ed. Larson and daughter Irene, Mrs. Alma Hunt, Mrs. Sander Larson and Miss Olga Lamberg left Wednesday for Detroit and Trenton where they will visit until Saturday when they will go on to Chicago to attend the

graduation exercises of Miss Marian Lamberg from the Augustana Hospital School of Nursing. The exercises will take place on Sunday. In Trenton they will visit with Mr. and Mrs. George Brockman and family. Mrs. Brockman is the former Mildred Kjellander, daughter of Mr. and Mrs. Wm. Kjellander, Gladstone.

Mr. and Mrs. Roy Fraid and Mr. and Mrs. Robert Makosky returned home on Monday night from Kenosha, Wis., where they have been visiting. They attended the funeral of Mr. Fraid's brother, Clifford, who passed away on April 16.

Of the nearly 800 species of North American birds, only about 225 are said to go as far south as the Gulf of Mexico, and of these only two-thirds entirely leave the United States.

Frank Conlon, Germfask, Dies

Frank Edmond Conlon, 69, a prominent resident of Germfask for many years and a former county official, passed away at 2 p.m. Tuesday at his home.

A resident of the Germfask area for 60 years, he was a member of the County Board of Supervisors for seven years and for several years he also served on the County Road Commission.

He was born in March, 1884, in Saginaw, and on Nov. 6, 1907, he was married in Germfask to the former Tessa Gilbert. He was a member of St. Therese's Catholic Church in Germfask.

Survivors are his wife; one daughter, Mrs. Leo Tovey, Germfask; a brother, Eugene, of Newberry, and five grandchildren.

The body was removed to the family home at 4 this afternoon. Services will be held at 9 a. m. Friday at St. Therese's Church, with the Rev. Casimir Mark officiating. Burial will be in Germfask cemetery under the direction of Kefauver and Jackson Funeral Home.

Mother's Day Tea Plans Discussed By Scout Leaders

Discussion of a Mother's Day tea in which all Brownie troops will participate and a Court of Awards for Intermediate and Senior Service Scouts highlighted a meeting of the Girl Scout Leaders Association Monday evening at the State Savings Bank conference room.

The meeting agenda also included a training session on the Scout uniform conducted by Mrs. T. H. Reque, council training chairman. Mrs. William Grant explained the Intermediate uniform, how and when it is to be worn, and the use of badges and pins while Mrs. Reque discussed the Brownie uniform.

Leaders of seven troops attended the session.

Buzzards Win In Monday Division Of Lady Elks Loop

The Buzzards took first place in the Monday division of the Lady Elks Bowling League during the second half, it is announced.

Friday division winners will be determined Friday evening.

Members of the winning five are Mrs. A. J. Radgens, Mrs. Barney Johnson, Mrs. John W. Kelly, Mrs. George Wood and Mrs. Alvin Nelson.

Other teams in the Monday group placed as follows: Second, Hawks; third, Vultures; fourth, Snipes.

Date of the annual banquet has been set tentatively for May 18.

More people get more news from newspapers than from all other sources combined.

STEEPLE IS TORN DOWN — The steeple of St. Francis de Sales Church, built when the church was erected 70 years ago, has been torn down. Shown on the structure during the razing operation is John Roman, Escanaba contractor.

The Rev. F. M. Scheringer, St. Francis pastor, said that the structure was removed as a safety measure.

Father T. H. Magerus was pastor at the church when the building was erected 70 years ago. Church records disclose that Michael McNamara, son of the late P. J. McNamara, was the first child baptized in the church. McNamara, who now lives in California, was baptized in December of 1883.

The entire church building will eventually be torn down in preparation for the construction of a new, modern church, the Rev. Scheringer said. (Linderth Photo)

City Briefs

Mrs. Fred Lesica, 526 Park Ave., left Saturday from the Midway Airport in Chicago, Ill., via Pan-American Air Lines for a month's visit at her home in Ipswich, Suffolk County, England. She was called home because of the serious illness of her father, H. H. Eaton.

Mrs. Roy Spaulding, of Glad-

stone, and Mrs. Amos Klindienst, of Detroit, visited here Tuesday at the home of Mr. and Mrs. William Gentz, 631 Garden Ave.

Mr. and Mrs. Willard Gentz and children, Beverly, Nancy and Billy Bob, and Mr. and Mrs. William Gentz spent Sunday visiting friends and relatives in Garden.

Mrs. William Bowers and daughter, Joan, 416 Alger Ave., are visiting in Grove City, Pa., with Mr. and Mrs. George Sverre.

Additional Manistique News Will Be Found On Page 6

State To Scan Thompson Roll

A petition requesting a general review of the Thompson township assessment roll was filed yesterday with the State Tax Commission by Ernest Hoholik, supervisor.

The petition alleges that the roll "is erroneous and not made in compliance with law."

Filing of the petition followed a conference which William J. Sheahan, prosecuting attorney, held Monday with the tax commission in Lansing.

Sheahan said that the commission is expected to make the review on May 5.

A meeting of the equalization committee of the County Board of Supervisors scheduled for 10 a. m. today was postponed until after the review, Sheahan said.

An adjourned meeting of the county board, slated for 10 a. m. Monday, April 27, will be held, however, to transact other necessary business. The board will have to meet again following the Thompson township assessment review to complete its equalization work.

The Thompson assessment roll was rejected by the county board at its annual meeting April 16 because of questions regarding its validity. Page total footings were omitted and several assessments appeared to be excessively raised, it was reported.

Three Youths Are Fined For Taking Air Hose Section

Three Manistique youths, 17, arrested Tuesday by city police for taking a section of air hose from the Barnes Service Station, paid fines and costs of \$20 each when arraigned yesterday morning in local justice court.

The three—Gerald Walstrom, Oak St., William Bellore, N. Cedar St., and William Bellville, S. Houghton Ave.—also were ordered to make restitution in the amount of \$2.34 each.

The theft occurred about 3 a. m. Sunday when the youths sliced off a section of air hose extending across the service station driveway. The hose was used later to siphon gasoline from an automobile parked in the rear of the Barnes Hotel, the youths told police. The service station was closed at the time of the larceny.

Discuss Plans For New Club

A progress report on proposed organization of a new Lions club to serve the Germfask-Seney area was submitted at a regular session of the Manistique Lions Club Tuesday evening.

Dr. E. D. Branyan, John Raffay and C. E. Leonard, committee members reporting, stated that a large number of civic leaders in the two communities had been contacted during the past week and evinced strong interest in the proposed club.

An organization meeting, it was announced, would probably be held

at the Germfask community building next Tuesday evening. Besides several members of the Manistique club, it is expected that

both Walter G. Wilson, of St. Ignace, district governor, and Chas. Monsur, International organizer, will be present at the session.

Track Meet For Esky Harriers Set Friday

The first spring athletic event on the Escanaba High School sports program takes place tomorrow afternoon at the athletic field when the Eskymos play host to Stephenson in an informal track meet.

The meet will be in the nature of a warmup for both schools with events slated in all the track and field events. The meet is held annually to open the track season.

Coaches Steve Baltic and Henry Wylie have had their Eskymo charges working outside the past several days, taking advantage of the warm weather.

The regular track season will begin next weekend with the Eskymos travelling to Marquette for a dual meet on Saturday. The follow-

ing Saturday, May 9, Escanaba travels to Marinette for a triangular meet with Marinette and Menominee.

One of Escanaba's largest track turnouts greeted the tail for candidates this spring. A total of 48 athletes, including seven lettermen from last year, have been working out with the nucleus of the team are Dick Casey, miler; Dick Carlson, hurdles, dashes, high jump and relay; Pat Gallagher, half-miler; Pat McDonough, pole, vault and dashes; Bill Peltier, 440, medley relay and 880 relay; Don Swanson, dashes and 880 relay; Harlan Yelland, 440 and medley relay.

Included on the squad are nine seniors, 20 juniors and 19 sophomores.

Escanaba will be host to the regional qualifying track meet on May 16. The U. P. championship finals will be held at Marquette Saturday, May 23. Eskymos will also be entered in the Marquette Relays on May 30.

20 Top Golfers In Tournament

LAS VEGAS, Nev. (AP)—Taking aim at the top target of \$10,000 in a \$35,000 purse, 20 of the nation's leading golfers tee off today in the first round of the first annual Tournament of Champions.

Leading threats to capture the big prize are Lloyd Mangrum, Sammy Snead and Cary Middlecoff. The tournament ends Sunday.

The select field, restricted to winners of major tournaments in the past 12 months includes National Open champion Julius Boros, Jimmy Demaret, Dutch Harrison, Tommy Bolt, Jack Burke Jr., Jim Ferrier, Jim Turnesa, Ted Kroll and Lew Worsham.

Not present is Ben Hogan, who came in for bitter criticism by other pros. They said he declined to play when his demand for \$3,000 appearance money was refused. Hogan was not immediately available for comment.

Spartan Coach Staff Will Go To Germany

EAST LANSING (AP)—Michigan State Football Coach Biggie Munn and his three top assistants will go to Germany this summer to conduct football coaching clinics for the Army.

Accompanying Munn will be backfield coach Steve Sebo, line coach Duffy Daugherty and end coach Earle Edwards.

Tentative plans call for the party to fly to Nuremberg July 9. They will spend about three weeks in Germany, returning to this country around Aug. 1.

Top athletic personnel and coaches of the various Army installations will be brought to Nuremberg for indoctrination into the Munn system of football.

High School Hurler Tosses 3rd No-Hitter

BAY PORT (AP)—The third no-hitter in less than a year was chalked up yesterday by Jim Harder, a right handed hurler for Bay Port high school's baseball team. Bay Port swamped Port Hope 17-0.

Harder, a senior at the class D school, turned the trick only last week against Owendale. The other no-hitter was turned in last fall, when Bay Port was playing baseball instead of football.

Yesterday, Harder struck out 15 batters, walked two and hit one.

Name Holcomb, Voigts As All-Star Coaches

CHICAGO (AP)—Stu Holcomb of Purdue and Bob Voigts of Northwestern have been named to the collegiate football coaching staff for the all-star game with the Detroit Lions Aug. 14 at Soldier Field.

Two other coaches named earlier were Eddie Ederlatz of Navy and George Sauer of Baylor.

The staff will be completed with the naming of a head coach Friday.

Sport Shorties

The longest price payoff in the history of the Hialeah race track was not to win—but to place. In 1932 Baal's odds were \$968 to \$2 to place.

Nine members of Michigan State's undefeated football team appeared in five post-season bowl games throughout the U. S. and Hawaii.

Bill Renna, rookie outfielder from Kansas City making a bid for the New York Yankees this spring, holds a B. A. degree from Santa Clara U.

FIGHTS LAST NIGHT

Baltimore—Orlando Zulueta, 133½, Cuba, and Joey Brown, 135, New Orleans, drew 10.

Las Vegas, Nev.—Hein Ten Hoff, 224, Germany, knocked out Al Spaulding, 212, Oakland, Calif., 8.

Portland, Me.—Terry Ryan, 146½, Portland, knocked out Larry Griffin 144½, Lewiston, Me., 9.

By Walt Ditzen

City Dartball Tourney Championships Tonight

The Daily Press team, winner of the recent Upper Peninsula tournament, was knocked out of the Escanaba City dartball tourney in a second-round match last night by St. Thomas.

The Press team opened first round play by defeating Eddy's Bar. St. Thomas had drawn a first round bye.

In other opening round games the Birdseye Locals defeated Brackett's, Little Mike's tripped Chet's Tavern and the Birdseye Maroons won on a forfeit.

Pearson's then eliminated Birds-

eye Locals in a second round match.

Semifinals and finals in the city tournament will be held tonight with St. Thomas playing Little Mike's and Birdseye Maroons meeting Pearson's. The winners will meet for the city crown.

In the recent Women's City tourney, Petersen's Furniture topped the championship by defeating Clairmont Transfer in the finals. Petersen's won over Bevo's in the semifinals and Clairmonts gained the championship match by winning from Bero's Motors in the semis.

Bosox Rookie Shortstop Looks Like One Of Best

NEW YORK (AP)—The boys in the dugouts say Milt Bolling, Boston Red Sox rookie, looks like one of the best young shortstops to come up in years. It's much too early to rate the kid but he does make all the moves.

It didn't figure this way down at Sarasota, Fla., when the Sox reported for spring training in late February. Bolling was the No. 3 boy on the list behind Lipon and Al Richter.

At the start of the exhibition

games, Manager Lou Boudreau told writers that Richter looked like his shortstop. But Bolling didn't read the papers. He forced his way into the lineup with his fine glove work and unexpected goo hitting. Opening day found him winning the job.

Changed Bat Stance

"Richter had all the past records in his favor," said Boudreau yesterday at Yankee Stadium. "But Bolling just won the job. We don't know yet how he'll stand up. But he never quits on himself."

When Bolling, 22, came up to the Sox last fall from Birmingham he was a standup hitter. Boudreau took him in hand this spring. At first he had the kid crouching low over the plate, like Boudreau used to do himself. Gradually Bolling found his own groove.

Talk to Bolling and you'll meet a tall, good-looking youngster who still is going to college at Spring Hill, a Jesuit school in Mobile, Ala. He has one semester to go before he gets his degree next January.

Moves Up Ladder

He's been in the Red Sox chain since 1948, moving up through Roanoke, Scranton and Birmingham to Fenway Park. Usually he has joined the farm club late, after college let out in June.

"This was my second spring training," he said. "In 1950 I was down South with Scranton. I saw Yankee Stadium only once before I played here Tuesday. That was in '50 with Scranton. We stopped off on a trip and saw the Red Sox play the Yankees."

"I didn't know if I could make it this year, sort of figured I'd wind up in Louisville. But I'm sure glad it turned out this way. What happened to my hitting? Wait awhile, it's early yet."

Willie Thrower Signs Contract

EAST LANSING (AP)—Willie Thrower, the passing quarterback of last year's Michigan State football team, has signed a pro contract with the Chicago Bears.

"I'm going to make that team too," Willie promised.

Thrower reported he was signed by coach George Halas for \$6,500 a year, plus about \$100 per game for each exhibition game.

Thrower, Negro high school sensation at New Kensington, Pa., rode the bench most of the time during his first two years at Michigan State. He was given a chance to prove himself during the 1952 season.

Although Tom Yewcic was the regular quarterback, Willie was used as a pass expert. He completed 29 of 49 attempts for a net of 400 yards and five touchdowns and also scored once himself carrying the ball.

Looks Like Baldacci As Wolve Quarterback

By JOHN F. MAYHEW
ANN ARBOR (AP)—Experimentation is the keynote of the Michigan spring football camp, where Coach Bennie Oosterbaan is trying to tailor the Wolverine squad to fit the requirements of the new limited substitution rule.

Prime attention is fixed on Louis Baldacci, the Akron, O., sophomore. The 200-pounder is running Michigan's first string outfit now and appears well on his way as a successor for the graduated quarterback, Ted Topor.

Defensively, Baldacci is working a linebacking position.

The circumstance appears to rate him decidedly ahead of Duncan McDonald, who has guided Michigan's second eleven.

Coaching comments emphasize McDonald's fight for existence under the new rule that necessitates offensive and defensive assignments for every player. McDonald, an offensive specialist, doesn't figure to be strong enough defensively, to rate a regular's label, despite coaching emphasis on his all-out effort to improve himself as an all-around player.

There's little talk of his defensive prowess. And the odds are he'll wind up throwing the ball as a last minute substitute when the game is decided.

Another gridiron experiment involves Capt. Dick O'Shaughnessy, regular offensive center a year ago. Oosterbaan has shifted the ambitions and competitive O'Shaughnessy to a guard position where it is felt he can go both ways.

Eighth Team Joins Tri County League

The Tri County baseball league with the admittance of Carneg-Nadeau as the eighth team in the circuit, it was announced by Roy Bagley, president.

The new entry joins Hermansville, Powers, Bark River, Foster City, Perronville, Daggett and Wallace in the Tri County loop this season. Defending champion Escanaba Bears will not be competing.

The Tri County league will open action with four games slated for Sunday, May 10. Complete season schedule will be announced next week by Frank Rodman, league secretary.

See Distance Duel In Drake Relays

DES MOINES (AP)—A stirring duel between Wes Santee of Kansas and Charles Capozzoli of Georgetown, two of the country's fastest distance runners, looms as the highlight in the opening of the Drake Relays Friday.

Santee and Capozzoli will be matched in the anchor mile of the four-mile university relay. Georgetown seeks to avenge a two-stride loss last year when Kansas cracked a 15-year-old American record in 17 minutes and 15.9 seconds.

Santee ran an official 4:06.8 anchor mile then to erase a 60-yard Georgetown lead.

The first-day card includes seven final events and six preliminaries in the university and college divisions. Twenty-four universities and 46 colleges are entered in the two-day meet.

Two Big Changes In Women's Keg Tourney

DETROIT (AP)—The Women's International Bowling Congress tournament recorded two major changes in Wednesday night's competition.

Flo Farwick of Louisville, Ky., posted a 1726 for seventh place in all events competition.

The Hainsworth Construction team of Seattle moved into fourth place in the regular team division with a 2700.

And into the pivot vacancy goes Dean Ludwig, the rangy 200-pound center who was knocked out of contention a year ago by a neck injury. Ludwig is rated a good center and, in addition, a fine prospect for backing up the line with Baldacci.

Best performance is being turned in by Tony Branoff, the versatile Flint halfback who appears in mid-season form already.

Branoff has dropped a few pounds from his 185 and picked up a few steps in speed.

Football people agree the new legislation that emphasizes the all-around player, is made for Branoff.

Honors for a former player: To David J. Tinkham, Grand Rapids, senior business administration student and three-letter

winner as a defensive halfback, went the Western Conference medal for proficiency in scholarship and athletics.

The other Michigan winner was Joe M. Scandura, of Brightwaters, N. Y., Wolverine wrestling star. Each is to receive an award of \$100.

Poor start: Michigan's baseball team feels it is behind schedule due to bouts with unusually poor weather. With five early games cancelled because of rain, the Wolverines sport a team batting average of .229, compared with .270 for a comparable period last year.

Bill Billings, Flint outfielder (.455), Dan Cline, outfielder from Brockport, N. Y. (.375) and Don Eaddy, third baseman from Grand Rapids (.290) are leading the parade.

Not All Fans Give Up On Stumbling Bengals

DETROIT (AP)—Overheard in Briggs Stadium:

Not all the fans have given up on the Tigers. Some still have hopes for the 1953 Bengals. At least that's what four of them said in Briggs Stadium.

Stan Woodman (801 East St. Joseph, Lansing): "They're not as bad as it has appeared. They've lost a couple of one-run ball games because of poor fielding break. I've got to stick with them."

Mary Alice Scott (Sand Creek, Mich., RFD 1): "They'll get better as the season goes on. But they need stronger pitching."

Herb Schoepke (526 East Maple, Lansing): "The hitting has been okay but the pitching hasn't. They should have kept Virgil Trucks."

Sharon Cole (Weston, Mich., box 57): "They're bound to get better once the nervousness wears off. I was proud of them in that one game they won in the ninth inning."

Harvey Kuenn's single in the ninth inning ran his hitting streak to eight games. The rookie shortstop is hitting .395 with 15 hits, all singles, in 38 at bats. Walt Drope still hasn't hit a home run for the Tigers, but has knocked in 10 runs with his .162 to lead the American League batting mark.

And speaking of home runs, yesterday's three round-trippers by the White Sox were their first hit by the club this season. Sam

Mele, Sherm Lollar and Vern Stephens finally found the range. In addition, Lollar had three singles for a perfect day.

Matt Batts drilled a third inning homer for the Tigers, and it was the hardest hit of the day, smashing against the seats in the upper left field deck.

All this blasting reminded our cab driver of the greatest home run hitter of them all, Babe Ruth. "I remember when the Babe used to come out after the games," he recalled. "He'd throw a handful of dimes up in the air and you should see the kids fight for them. The Babe used to say 'it's the only way I can get away without signing a hundred autographs.'"

Defending Golf Champ Beaten

PINEHURST, N. C. (AP)—Frank Strafaci of Woodhaven, N. Y., came up with a new gimmick yesterday for a one-up third round victory over defending champ Frank Stranahan in the North and South amateur golf tournament.

Strafaci walked around the 6,900-yard No. 2 Country Club course carrying a folding seat which he employed on the greens while puffing peacefully away on a pipe.

The peaceful combination paid off, with the help of some Stranahan lapses, to send Strafaci into the quarter finals today against Mal Galletta of St. Albans, N. Y., in a lower bracket pairing.

The winner will move into the semi-finals tomorrow against the winner of a match pairing Harry Haverstick, Lancaster, Pa., and Bob Cochran, St. Louis.

In the upper half of the draw, Bill Campbell of Huntington, W. V., met Dick Chapman of Pinehurst and Maurice McCarthy, Muskegon, Mich., took on William Hyndman, Abingdon, Pa.

Champ Steps Up Training Pace

HOLLAND (AP)—Stepping up the tempo, heavyweight champion Rocky Marciano boxed four rounds yesterday as he continued training for his once-postponed title defense against Jersey Joe Walcott at Chicago May 15.

Marciano, whose own bloody noses kept him from keeping the original April 10 date, drew blood from the nose of Billy Noble of Grand Island, Neb., in one two-round stint. He also went two rounds with regular sparring mate Toxi Hall of Chicago.

In both outings he wore a guard to protect his nose and no damage resulted. Manager Al Weill said he was happy about Rocky's condition.

The number of rounds will be stepped up, Weill said, as the training grind wears on.

Giants Uncover Plate Star In Veteran Utility Player

By BEN PHLEGAR
(Associated Press Sports Writer)
Leo Durocher is fast becoming a firm believer in the theory that every cloud has a silver lining. And Bobby Hofman is one of the reasons.

The New York Giants' manager was forced to dig deep into his infield reserves when Davey Williams, his preferred choice for second base, reinjured his lame back Tuesday night. First-string catcher Wes Westrum also was hurt and the club was in last place.

Leo switched Daryl Spencer, a shortstop by trade, from third base, where he had been performing, to second, and settled for Hofman, a utility man used so infrequently that his name doesn't appear in many baseball books, at third. Sal Yvars did the catching.

Hits Two Homers
Hofman, batting leadoff against the Pirates at Pittsburgh last night, made Durocher look good in the first inning. He opened with a double and scored. In the third inning he hit a home run for the Giants' second tally. He singled in the fifth and then completed a perfect night with his second home run, this time with pitcher Jim Hearn on base, for the last two New York runs in the eighth as New York whipped the Pirates, 4-2.

Hofman has been in the Giants' organization for 10 years since he played American Legion baseball in St. Louis on the same team as Yogi Berra. He saw action last year in only 32 games and his total home run production was exactly equal to his total of last night—two.

The victory jumped the Giants from last to fifth place, enough to make Durocher happy even though he was tossed out of the game for arguing in the ninth inning. Bill Stewart, working at second base, drew the honor of being the first umpire this year to kick Leo out of a game.

Lead Changes Hands
First place in the National League also changed hands as the Philadelphia Phillies made it two in a row over Brooklyn, this time by a 5-4 margin, and St. Louis defeated Cincinnati, 8-3, in two other night games. The Phils and Cardinals now share the lead with Brooklyn half a game behind. Milwaukee swamped Chicago, 15-6, in the only National League day game.

The New York Yankees took over sole possession of first place in the American League by whipping Boston, 6-2, while the St. Louis Browns were idle. A five-run ninth-inning rally fell short for Detroit as the Tigers bowed to Chicago, 9-7, and Philadelphia beat Washington, 7-4, in a night affair. Cleveland, along with the Browns, wasn't scheduled.

Billy Loes, who pitched 39 innings—38 of them scoreless—for Brooklyn against Philadelphia last year, couldn't fool the Phillies last night. They got to him for all of their five runs before he departed.

It's A Poor Gag, But Tigers Can't Lose All

By JOE FALLS
DETROIT (P)—It's a poor gag, of course, but when the crowd left Briggs Stadium yesterday after the Tigers had lost another ball game, one fan was heard to say: "Well, at least we've got one consolation—we can't lose all 154 games this season."

That much is for sure. The Tigers have lost seven times—the last five in succession—but they've also won once. But outside of that, not much else is certain.

The hitting picked up some yesterday when the Tigers lost to the Chicago White Sox, 9-7, but not enough to offset another poor performance turned in by the pitching staff.

Poor Major Debut
Rookie Milt Jordan was given his first major league start and was creamed for a dozen hits—three of them homers—in seven innings.

Hal Erickson pitched scoreless ball in the eighth but Paul Foytack was roughed up for three hits and three runs in the ninth. And those three runs proved to be the ball game, although when they were posted on the scoreboard they looked meaningless. They merely gave the Sox a 9-2 lead instead of a 6-2 lead.

But the Tigers erupted for five runs in the bottom of the ninth and twice had the potential winning run at the plate before Harry Dorish, Chicago's ace relief specialist, came on to put out the fire. He had done the same thing on Tuesday, too, stopping the Tigers over the last 2 1/3rd innings.

Big Single For Drope
Yesterday Dorish came in with the bases loaded and Walt Drope at the plate. Three runs already had clattered across home plate. Drope slapped a two-run single to right and it looked as though the Bengals were back in business. But Dorish, displaying all the

emotion of a cigar store indian, struck out Bob Nieman and induced Jim Delsing to rap into a game-ending ground out.

The Tigers had made a game try of it but their pitchers had given the opposition too much of a lead.

Pity manager Fred Hutchinson. He has used 24 hurlers this season—keeping to his average of three a game—and they've yielded 97 hits and 59 runs. That's an average of 12 hits and seven runs a game.

With that kind of pitching, a team would need Yankee hitting to break even.

Season's Hits
Since the season started, Tiger pitching has yielded hits in this fashion: 13, 15, 9, 12, 6, 16, 11, 15. The runs have looked like this: 10, 11, 5, 8, 3, 6, 7, 9.

Today, however, is another day. That's the best part about baseball. Hutch will use lefty Billy Hoelt against the Sox.

The 20-year-old lefthander has been the only Tiger hurler to turn in a decent game. He pitched eight innings against the St. Louis Browns, giving up seven hits and only one earned run. But efforts went naught when the Browns won out in extra innings.

Free Defendant Of Fire Charge

Andrew Canuelle, superintendent of the Mac-Gillis-Gibbs Co., plant in Gladstone was found not guilty of burning waste material in violation of a city ordinance following jury trial before Justice of Peace A. T. Sohlberg Wednesday.

Testifying were City Manager H. J. Henrikson, City Commissioner Rex Stowe, Police Officer Carroll Johnson, Canuelle, Joe Lauzon and Donald Fleury, employees of Mac-Gillis & Gibbs.

The defense contended that grass was being burned to eliminate a fire hazard and accidentally got into a pile of bark in the pole yard and the employees, despite various efforts, were unable to extinguish the blaze.

Forming the jury were Harold Mackie, Noble Swenson, M. J. Magoon, Edward Olson, John Schmitt and Ollie Nelson.

Attorney Clair Hoehn represented Canuelle while City Attorney Clyde McGonagle handled the city case.

Fire Wrecks Home Of John Pavlot

A fire of undetermined origin gutted the home of John Pavlot, 624 N. 10th St. yesterday afternoon. The family lost everything.

No one was at home and the fire had a good start before it was discovered at about 2:15. Pavlot, who is employed at H. J. Norton Ford Agency, was at work.

Pavlot estimated his clothing and furniture loss at \$3,500. Insurance covered a small part, he said.

Gladstone Fire Chief Carl Johnson said the interior of the house was badly damaged.

Mrs. Philip Creten, who lives across the street from the Pavlots at 621 N. 10th is temporarily caring for the Pavlots' four children. Pavlot has a cabin in Menominee County and is staying there until he can find a place to live.

Mrs. Mary Budzis, Gladstone owns the burned-out house.

Hawaiians, Awaiting Statehood, Want To Change Calendar

By ED CREAUGH

WASHINGTON (AP)—Those Hawaiians, who want to become citizens of our 49th state, will bear watching. Even before they're admitted to the Union they want to change our calendar all around.

This far-reaching proposal is made in a bill introduced by the Pacific territory's nonvoting delegate in Congress, Joseph R. Farrington. If his bill were adopted, starting in 1956 the whole country would operate on a "perpetual" calendar which would do away with all Friday the 13ths.

Endorsed By Scientists

This calendar was invented by a Honolulu man, Willard E. Edwards, who says his system has been endorsed by scientists, business leaders and other prominent persons as "the best timetable they have ever seen for running the world."

Edwards became a calendar reformer at the age of 15 when, as a high school boy in Quincy, Mass., he learned that both Julius and Augustus Caesar had stolen a day from February and added it to the months bearing their names—July and August.

Young Edwards thought this was pretty sneaky on the two emperors and he said so. He also went home and started work on a new calendar which would correct that ancient larceny and take a lot of confusion out of the existing way of recording days, weeks and months.

For more than 30 years Edwards, now a Pearl Harbor electrical engineer, has been crusading for adoption of his "perpetual" calendar.

Divided Into Quarters

Edwards would divide the year into four quarters of 91 days each. That adds up to 364 days. The missing day would be sandwiched in between Dec. 31 and Jan. 1. Every four years the additional leap year day would be fitted in between June 31 and July 1. Now, then:

Perkins

American Legion Meeting Held
PERKINS—At the American Legion Auxiliary meeting held Monday, April 20, members made plans for a project to raise money to buy an electric roaster for the new clubhouse kitchen. Mrs. Floyd Fuhrman, Mrs. G. Depuydt and Miss Lorraine Gerou were on the lunch committee.

Household Shower

A household shower in honor of Mr. and Mrs. Frank Gudwer will be held Sunday evening, April 26, at St. Joseph parish hall. The Gudwers lost all their household possessions when their home was demolished by fire several weeks ago.

Briefs

A2/c Robert Heynssen, son of Mr. and Mrs. Louis Heynssen of St. Nicholas, is spending a 30 day furlough at his home after a year's duty in Korea. Enroute home he visited in Chicago with his brother and sister-in-law, Mr. and Mrs. Prosper Heynssen, and in Milwaukee with his brother-in-law and sister, Mr. and Mrs. Harvey Beauchamp, all former residents of Perkins.

Mr. and Mrs. Adeline Gerou Jr. have moved to Escanaba. Mr. Gerou is employed there.

Mrs. Jules Gaudette entered St. Francis Hospital in Escanaba Monday. She will undergo surgery there.

Mr. and Mrs. Kenneth Royer and son, James Lee, left for Manitowish, Wis. where they will make their home following several weeks visit with Mr. and Mrs. Henry LaChapelle. Mrs. Royer's parents of St. Nicholas. Other visitors at the LaChapelle home recently were their daughter and son-in-law, Mr. and Mrs. Stanley Brozanski, of Milwaukee.

Mrs. Mary Broeders of Milwaukee is visiting at the home of Mr. and Mrs. Dona Barron.

Puts On Blue Bonnet To Get Most For The Money!

MRS. MEL TORME

You, too, will love BLUE BONNET Margarine's delicate, sunny-sweet flavor! BLUE BONNET makes bread, toast, hot rolls, and vegetables taste better than ever!

You'll appreciate BLUE BONNET's nutrition. Unlike most other margarines, BLUE BONNET contains both Vitamins A and D—as much year-round Vitamin A and D as you get in the high-priced spread for bread!

Yet BLUE BONNET Margarine costs less than half as much as the high-priced spread. So put on BLUE BONNET and be sure of "all 3"—Flavor, Nutrition, Economy!

Each quarter of Edwards' year would start at the beginning of a week and end on the last day of a week. Each month would have 26 work days plus Sabbaths. And this tidy arrangement would continue year after year.

Besides eliminating Friday the 13th, a day some people consider unlucky, what are the advantages? The Honolulu Star-Bulletin recently published an interview with Edwards in which the inventor lists these:

1. The 1st and 15th of each month, payday for many people, always would fall on a week day. No paydays, or those people, would fall on Sunday.
2. Anniversaries and holidays would always come on the same day.
3. Numerous three-day holidays could be arranged. Christmas, for instance, would always fall on Sunday, so that Saturday-Sunday-Monday observance could be made an annual event.

MAKE WAY FOR THE WADDLERS—Motorists come second at this spot on Trinity Park road in Fort Worth, Tex., where this sign guarantees the right-of-way for ducks. Park

authorities noticed the ducks were having a hard time crossing the road in search of food, hence the sign.

William Garrett New Superintendent Of Gwin Schools

GWINN—William G. Garrett, principal of the St. Ignace public schools four years, has been named by the Forsyth township board of education to succeed Leo P. MacDonald as superintendent of

schools at Gwin. The decision of the board was the result of careful screening of nearly a score of applicants for the position.

Garrett, who is married and the father of two children, was graduated from Ishpeming high school in 1936 and is a graduate of Northern Michigan College of Education, having received a bachelor of science degree from

that institution in 1940. He earned his master of arts degree in supervisor and administration of secondary schools from the University of Michigan.

Garrett was employed by the rehabilitation and education section of the Veterans Administration at Escanaba in the capacity of a training section for a two-year period after the war.

Hyde

Surprise Birthday Party

HYDE—Relatives and friends surprised Emil Porath Saturday, April 18, at his home with a birthday party. Emil Porath held high honors and Mrs. Paul Porath held low honors in canasta. Rudy Porath and August Severinson held high honors and Paul Porath and William Beyersdorf held low honors in smear. A lunch was served by Mrs. Emil Porath.

Christening Held

The infant daughter of the Rev. and Mrs. Walter Henning was baptized Sunday, April 19. The sponsors were Mrs. Charles Payne, Herman Kuehn and Roland Lemke. Those visiting at the Henning home Sunday were Mr. and Mrs. Herman Kuehn of Detroit, Mr. and Mrs. Charles Payne and children of Wyandotte, Mich. The Rev. Carl Henning, Mr. and Mrs. Chester Nelson and children, Mr. and

Mrs. Leonard Schmolinske and children, Miss Lucille Lemke, Roald Lemke and Leonard Lemke all of Marinette.

Birthday Celebration

Friends helped Alex Muther celebrate his birthday Sunday, April 19, at Pinecrest Sanatorium. Those present were Mr. and Mrs. Emil Klein, Mr. and Mrs. Charles Kostzke, Mr. and Mrs. Paul Porath, Mr. and Mrs. Emil Ahlin, Mr. and Mrs. Arthur LeClair, Mr. and Mrs. Joe Pinozek, Mr. and Nelson LaBonte, Mrs. Alex Muther and Robert Muther. Mr. Muther received many cards.

Honored At Home

The Harmony Birthday Club honored Mrs. James Heider at her home Saturday, April 18. Games were played and Mrs. Ernest Klein, Mrs. Leonard Cota, and Mrs. Charles Scheenemann Jr. held high honors. Mrs. Charles Johnson received the guest award. Mrs. Heider received a gift from

the club members, and a lunch was served.

Personal

Donald Dahlke of Milwaukee spent the weekend at the home of his parents, Mr. and Mrs. Norman Dahlke.

TAKE UP THY HOUSE

CALGARY (AP)—A prefabricated house accompanied E. A. M. Vossen to Calgary from Holland. The three-bedroom house cost \$5,000 in Holland and transportation costs ran to about \$1,200.
